

What do we use the funds that are donated to us for? What do your adoption fees go towards? Please see this table for a rough guide.

ITEM:	OPTION 1:	OPTION 2:	APPROX. TOTALS:
<p>If the dog is located outside of the area of the chosen foster carer they will need to be transported by plane or car to a new location.</p> <p>Transport – Flights \$120.00 standard fee. When we transport dogs in between islands for foster care.</p> <p>Transport – Petrol is assessed on a case-by-case basis once a receipt is received.</p>	<p>Crate Purchase</p> <p>\$80.00- For a small airplane approved crate from local pet stores</p>	<p>PetMove Assistance</p> <p>\$40.00 – PetMove offer us assistance and use of their crates for the above price on top of flights.</p>	<p>\$160 - \$200</p> <p>To transfer a dog from the Surrenderer into the trust’s care. We often fly dogs to foster carers throughout NZ.</p>
<p>Blood-Test Panels and Pre-Operation Blood Panels:</p> <p>When dogs come into the care of the trust we do all we can to ensure they are healthy. A blood work up prior to surgery is always utilised and we complete detailed profiles on older dogs to ensure they are fit and healthy.</p>	<p>N/A</p>	<p>N/A</p>	<p>\$150 - \$300</p> <p>Cannot accurately determine depends on age of the dog and particular panel suggested by the Vet.</p>
<p>De-sexing</p> <p>Many factors increase the price of de-sexing.</p> <p>Older dogs will be more expensive due to the complexity of the surgery. Each case is different, we have supplied a recent example.</p>	<p>Males</p> <p>Neutering younger dogs will be cheaper than older dogs.</p> <p><i>(Example: a recent 2 year male in the care of the trust was \$364.00)</i></p>	<p>Females</p> <p>A spay for a younger female be cheaper than older females, particularly if they have had puppies prior.</p> <p><i>(Example: a recent 2 year old female in the care of the trust was \$281)</i></p>	<p>\$250 - \$370</p> <p>These are not retail prices. We are very fortunate to receive a discount for our veterinary care! Some of our Vet carers actually do not charge for their time, only the medications used and other staff required (ie. vet nurses). Without their support, our vet bills would be much higher!</p>
<p>Dental</p> <p>Many of the dogs that come into care have had their dental care neglected and require extensive extractions.</p>	<p>Prices vary depending on the amount of work required.</p> <p><i>(Example: a recent 9 year old female - \$329)</i></p>	<p>N/A</p>	<p>\$200 - \$400+</p> <p>Cannot accurately determine, dependant on the extend of dental work required.</p>

<p>Vaccinations</p> <p>We vaccinate dogs for all issues relevant to their area (ie. North Island dogs require some different vaccinations to dogs in the South Island)</p>	<p>Approx. \$200.00 for the first round of injections</p> <p><i>(Example: a recent 9 year old female - \$206.00 for "first" vaccinations"</i></p>	<p>Top up injections \$50.00 - \$70.00</p>	<p>\$250+</p> <p>Cannot accurately determine</p>
<p>Micro-chipping</p> <p>Each dog taken in by the Trust is microchipped and registered on the NZ Companion Animal Register.</p>	<p>\$30.00 Implanting Fee (completed by the Vet)</p>	<p>\$5.00 registering on the database (By NZCR)</p>	<p>\$35.00</p>
<p>Council Registration</p>	<p>Prior to 31 July: \$80.00</p>	<p>Prior to 1 August: \$112.00</p>	<p>\$80 - \$112.00</p>
<p>Flea – Frontline is our preferred brand.</p>	<p>3 x treatments - \$65.00</p>	<p>N/A</p>	<p>\$21.66 per individual treatment</p>
<p>Worming – Endoguard is our preferred brand.</p>	<p>4 x tablets - \$30.00 (up to 5kg dog, dosage dependant on weight of the dog.</p>	<p>N/A</p>	<p>\$30.00</p>
<p>Extra Disposables as Required</p> <p>Depending on the circumstances of the foster carer and whether they require it. We purchase and provide: Bedding, Beds, Crates, Bowls, Specialist Foods, Leads and Collars, Toys etc.</p>	<p>Prices can vary, we spend anywhere from \$100 - \$150 to have a dog "set up" with all they require at their foster carer's home</p>	<p>N/A</p>	<p>\$100 - \$150.00</p>

As a rough estimate it costs the trust **\$1,276.66 - \$1,868.66** to take in and care for each dog we receive.

Prices may increase or decrease depending on the particular circumstances of the dog
