In order to be considered for the adoption of a rescue Chihuahua held by the New Zealand Chihuahua Rescue Trust ("**The Trust**"), you, as the ("**the Adopter**") hereby agree to the following:

- 1.** In the event that you are no longer able to care for the dog at any time. The Trust is to be notified immediately and the dog returned into the care of the Trust.
 - 1.1** For the absence of any doubt, the dog cannot be advertised or rehomed privately, under any circumstances.
 - 1.2** The Trust owe an obligation to the dog for the duration of its life. We will always accept back dogs, regardless of the amount of time that may have passed.
- 2.** By applying to the Trust, the Adopter confirms that all information supplied in the course of the adoption process is true and correct to the best of their knowledge and belief.
 - 2.1** The Adopter further confirms that they have been honest in all dealings with the Trust and informed the Trust of any information that may be relevant to their application for adoption.
 - 2.2** Should the Trust become aware of information to the contrary, this shall be deemed a breach of the Agreement.
- 3.** The Adopter undertakes that they have no pending charges or prior convictions related to animal cruelty.
- 4.** The Adopter undertakes that they will apply any advice given to them by representatives of the Trust in respect of the dog they choose to adopt. Choosing not to abide by such advice shall be deemed a breach of the Agreement.

Trial Period

- 5.** A one-month trial period applies to all adoptions. During this period, the Trust or the Adopter can decide to terminate the adoption for any reason.
 - 5.1** The Trust shall have the final approval and shall inform the adopter at the end of the month in writing that the trial period has ceased. If the Trust or the Adopter elects to end the adoption prior to the one month mark, the Adopter will be refunded in full their adoption fee.
 - 5.1** Should the dog become sick or injured as a result of any act or omission to act of the Adopter prior to the confirmation of adoption (ie. during the trial period) the Adopter is liable for any/all vet fees. The trust reserves the right to uplift the dog as a result of said act or omission to act.
 - 5.2** The Trust confirms that it has disclosed to the Adopter, prior to the trial period any medical issues known to the Trust or further veterinary care required (at the cost of the Adopter):

Trust will terminate the trial period, uplift the dog and seek medical assistance for the dog at the Trusts' cost.

6. The Adopter undertakes that they have considered their position and confirm they have the ability to financially provide for the dog for the duration of its life. Providing for the dog includes (but is not limited to): prompt Council registration as it falls due each year, vaccinations and provision of any medical care advised by a Vet during the life of the dog, together with the basic necessities a dog requires and inside, warm, housing.

Micro-Chipping and De-Sexing

7. As a Charity, we strive to ensure that our funds are applied to the necessary vet care for each dog. This includes: de-sexing, microchipping and vaccinating. If further veterinary care is required in future in respect of a particular dog, the Trust will disclose this to the Adopter. All further vet care outlined by the trust or which arises after confirmation of the adoption (ie. on expiry of the trial period) will be the responsibility of the Adopter.
8. Each dog is micro-chipped and added to the New Zealand Companion Animal Register. The Trust (or Managing Trustee of the Trust) will remain as a contact on the dog's microchip. This is a fundamental term of adoption. The Adopter will be added to the database also but cannot, under any circumstances, remove the Trust's details from the microchip.
9. Dogs will be de-sexed prior to adoption. In the case that they have not been (ie. where a foster carer chooses to adopt and the dog is already with them) Any dogs that have been property of the Trust are not to be bred from.

Breach of the Agreement

10. In the event that the Adopter breaches any terms contained in this Agreement. The Trust reserves the right to immediately uplift the dog. The Adopter confirms they will not obstruct removal or prevent the trust from uplifting the dog in any way.
11. The Trust reserves the right to uplift a dog should any concerns arise in relation to welfare, mistreatment, abuse or blatant disregard for Clause 4 of this Agreement. This Clause extends throughout the duration of the life of the dog.

Application Process

12. The Adopter is to return the application form to the email below, together with any required evidence from a landlord before they may be considered. The information on the forms will be retained by The Trust.
13. The Trust reserves the right to approve or decline any Adopter at any stage of the process. No reasoning will be entered into.

Adoption Fee

14. The non-refundable adoption fee is to be paid prior to the dog going on trial. Account details can be found above, or cash on the day of handover of the dog is accepted.

- 15** Failure to pay the adoption fee will constitute a breach of this Agreement and the dog may be uplifted.
- 16** Applying to The Trust to become an Adopter does not create an obligation on The Trust to supply the Adopter with a dog.
- 17** The decision of The Trust is final.
- 18** The Adopter agrees to be bound by the terms of this form or any updated forms, they acknowledge by signing that they are aware of their obligations in terms of becoming an Adopter.
