You can also pay tribute to the more than 350 marshals killed in the line of duty since 1789. More died out of Ft. Smith than anywhere else. It cost \$50 million dollars and officially opened on July 1, 2023. Collections include more than 2,000 artifacts, including the handcuffs used on Timothy McVeigh from the Oklahoma City bombing. The opening culminated more than 16 years of fundraising, design, construction and installation. You'll want to check out the Outpost, a gift shop that has coins, accessories and authentic apparel.
- Enjoy breathtaking scenery on a 1.5 hour train excursion from Van Buren to Winslow that takes you through the ruggedly beautiful Boston mountain range of the Ozarks, over three valley trestles and through the 1700-foot long Winslow tunnel.
