You have found your accountant!  
Here's why you will pick Mary Kelly:

Sharp! Knows the tax law inside and out. Will guide you through all the tax wickets and assure you don't pay a dime more than you really owe. Leaves nothing on the table.

Future Planner! Doesn't just do your taxes, but assesses your tax position then provides you with proposed strategies to minimize your tax liability. Has the long view.

Responsive--acts quickly to complete your taxes. Sets reasonable schedule expectations and keeps you posted on progress. Does what she says she'll do.

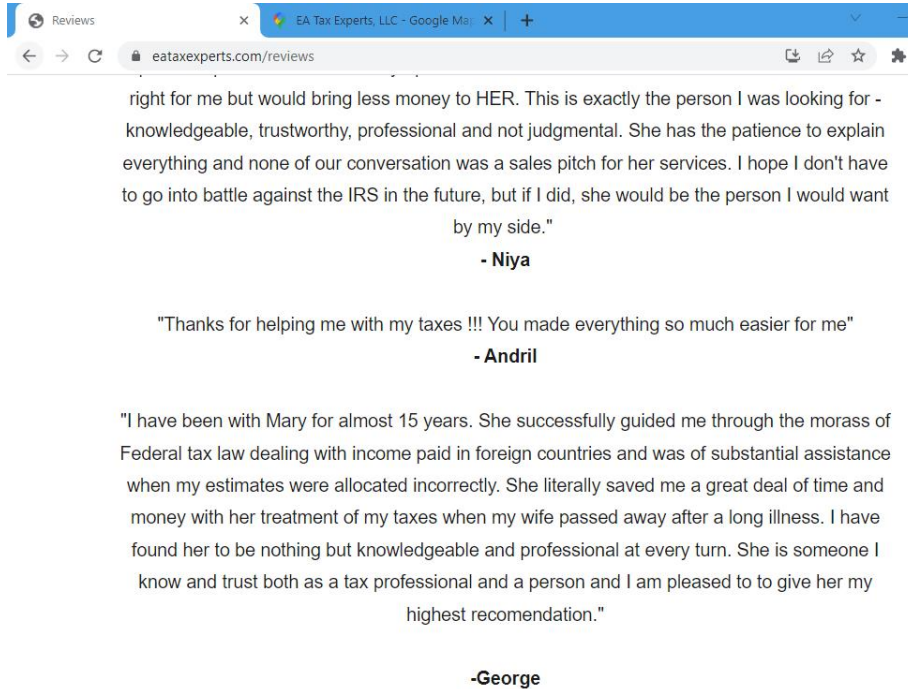

Committed to you! Each time I work with her whether it is in person, on the phone, or via email, I feel like I'm her only customer. She makes me feel special!

Mary is a special find.

Once you work with her, you'll wish you discovered her sooner. I did! If I told her once, I've told her so many times: I'm glad she's my accountant and tax planning adviser. You'll be glad too!"

right for me but would bring less money to HER. This is exactly the person I was looking for - knowledgeable, trustworthy, professional and not judgmental. She has the patience to explain everything and none of our conversation was a sales pitch for her services. I hope I don't have to go into battle against the IRS in the future, but if I did, she would be the person I would want by my side."

"I have been with Mary for almost 15 years. She successfully guided me through the morass of Federal tax law dealing with income paid in foreign countries and was of substantial assistance when my estimates were allocated incorrectly. She literally saved me a great deal of time and money with her treatment of my taxes when my wife passed away after a long illness. I have found her to be nothing but knowledgeable and professional at every turn. She is someone I know and trust both as a tax professional and a person and I am pleased to to give her my highest recommendation."
