

Calling all Senior Centre members to join us on July 1st. We will be celebrating Canada's icons, from beavers and loons, to our famous hockey players, figure skaters, actors and actresses, poets, authors, singers and songwriters, to name a few. We will be needing help to decorate our float which has been kindly donated by JHW Construction.

President Tilly Bachmann and Vice-President Barb Knapton attended the BC Seniors Association AGM in Fruitvale May 3rd to 5th and will be presenting a report to our members at our monthly membership meeting on June 14th. They would both like to thank the membership for supporting their attendance at this important annual event.

The May Soup and Sandwich luncheon on May 22 was enjoyed by 55 people. Terry Runions from "Better at Home" gave an informative presentation. Once again thanks to those who gave of their time to make this a successful event.

Please note our June Executive meeting will be held Monday, June 11, at 10 am

Sick & Visiting

Please remember to phone Carol Paul if you know of someone sick or in need of a visit at 250-632-5628.

The Community was very saddened to hear of the passing of long term resident Rusty Monti. There will be a golf scramble and pancake breakfast in his memory on July 23rd at the Hirsch Creek Golf and Winter Club. Donations for those wishing to remember Rusty will go towards the purchase of a High Flow Oxygen machine for the Kitimat Hospital, which will enable patients with breathing difficulties to be treated locally instead of having to be transferred out of town.

A card and fruit basket was taken to Joe Feldhoff following his illness.
