

Thank you for your interest in a puppy from Hursley Manor Samoyeds.

Our new puppy families are very important to us, because they, (You), will be entrusted to love and care for these precious babies that we have raised and love so much since they were born. You should truly feel honored if we choose to entrust you with one of our precious puppy kids!

You may ask.... why a "Puppy Application"? It's a way of introducing yourself to us, giving us information about you, your life and plans for a new addition to your family.

**Please note this questionnaire doesn't commit you to purchase a puppy from us, nor does it commit us to place a puppy in your home.*

Our first priority is to ensure that our puppies live full and happy lives in a home with people who love them. We try our best to place puppies only in the most loving and responsible of homes and this inquiry form helps us in that process.

Our puppies can always come back to us if they need to be re-homed- or sent on to other homes that we have approved who are willing to sign and honor our puppy care contract.

Puppies are placed as 'companion only' and are required to be spayed or neutered. Each pup will have AKC limited registration which only limits the dog from AKC conformation events and breeding.

Please take time to complete this puppy inquiry form fully and honestly.
