UPDATE ON CLAUDE RAINEY

Claude's condition is about the same as usual. He was hospitalized for a couple of days when he couldn't get his breath. He's home now and welcomes the phone calls and cards as he can't stand long before getting dizzy. He's planning on going on physical therapy to build strength back into his body where he can at least walk. He's really fighting this misery with everything he has. He can't talk long before he starts to cough. Keep praying that his cancer will go into a state of remission and he can once again join us in the field of metal detecting.

Don't give in, Claude, we love and miss your cheerful smile at our events.

EDITOR

CLUB HUNT

At the time of printing, there wasn't any club function planned. If a site is available then it will be announced at the next club meeting.

GUEST SPEAKER

This month's speaker will be Art Passanando who is wintering in Wabasso, Fl. He is a contributing editor for TREASURE magazine. I look forward to meeting him myself as I've written several articles for TREASURE. Look for you there.

BANK NIGHT

Herb Phillips #52 won \$25.00 when his badge number was drawn.

HOLIDAYS PAST

I hope everyone had a safe and pleasant Christmas and New Year.

THE YEAR AHEAD

We have new officers for our club but what we need the most is cooperation among retired club members in helping the 9 to 5ers find areas to hold club functions.

I've an idea of picking a central spot either beach or city where lunch can be held. TH'ers in two's fan out to see which team can find the most in an allotted time. Yards, sidewalks and parks could be hunted for their treasures. It's something to think about.
