Thank you everyone who provided finds for the table.

LOSS OF MEMBER

Last month, I reported the illness of George and Ella Hill. I learned a few days later that Ella had passed away. George is recovering from his illness. I wish to express to the Hill family that Ella will be missed and always remembered as a part of our club. On behalf of the club, Lonna Leist sent flowers.

JUNE HUNTING EVENT

The club function took place at New Smyrna Beach at 8:45 pm on June 16th. It was a night hunt and it was to cost \$3.00 to take part. I haven't the hunts results but they'll be announced at the next meeting.

FUTURE HUNT SITES

Two campgrounds have been located but the cost for them is outrageous. It is going to cost a lot of money but will be affordable if no less than 80 people attend. We may have to include the Tampa, Orange Springs and Jacksonville TH'ing clubs to meet the quota. We'll keep you updated.

FALL HUNT SITE

I checked the field where the October hunt site is to be held. The farmer has completed his harvesting and is currently plowing the field under. The furrows will be deep and the vegetation should be sparse by the time the date arrives. The hunt will probably be a two day event as it covers over 80 acres. There are several reasonable motels and RV parks nearby to accommodate the TH'ers. The pasturaland was once the site of a Army training base during World War II. The site won't be disclosed until the October meeting when the weather is more desirable.

DONATION OF MONEY

Bob Stackhouse donated ten and a half pounds of change to the Shriners Burn Center. I'm sure it was well received. Thanks, Bob.

CLUB DUES

Club dues are "due" for some of our members. Check with Lonna to see if you are current in your club membership. Those in arrears will be dropped from the mailing list and all club events. So if you don't want to miss that October hunt that I just mentioned then get paid up.

NATIONAL HUNT

On November 10th, 1990, our club will sponsor a one day National Hunt at Moss Park. Flyers are available but we need volunteers to chair some committees. Any help will be appreciated.

BANK NIGHT

Number 85, Pepper Rock was drawn but she wasn't there to collect \$20.00. July will have \$25.00 in its pot for the next drawing.

CLUB SPEAKERS

We had Barbara (Bos) Phillips spoke about how to find hunt sites. Charlie Peterson shared some beach hunting stories and tips. And David Gascoyne talked about his 20 years as a relic hunter. Guess I'll have to get up there and tell you about my trip to Georgia, short that it was. By the way, the Electra-Search X-60 really does work. It helped find a vein of quartz that contained at least an ounce of gold nuggets. I'll have to tell you about it.

GOLD PROSPECTING, ANYONE?

My friend, Pete is returning to the gold fields of North Georgia in August. He intends to open his fourteen acre gold mine to anyone willing who wants to search for gold for a fee. He needs at least one person to assist him with dredging the site so the fee would probably be withdrawn. See Harry for details.
