Lonna Leist was the winner of the $\frac{1}{2}$ and $\frac{1}{2}$ draw. Bank Night was a non-producer of the green for #94 was drawn and was a no-show! May 10 will see \$25.00 in the pot for a lucky winner??

Discussion centered around future hunts and sites. The CFMDC will have a hunt on the dates of June 29-30 somewhere in the Daytona-Jacksonville area. The site is approximately an hour and a half from the Orlando area and according to Ray Leist "good hunting." Cost will be minimal. More on this later in the June newsletter. The CFMDC had an interesting speaker on April 12, 1991. The Silver Connection" with a local representative (they are headquartered in Greensboro, North Carolina) in the person of Larry Popp gave a timely talk, annecoted with lively comments and audience questions on a topic familiar to us all- investment of your earned income/found treasure in a tax-deductible savings plan. The purpose of the plan is founded on the principle that people help people through the concept of independent contractor-ship. If you were not present at the April 12, 1991 meeting and you are interested in learning more about this opportunity and the "Golden Eagle IRA" contact the following...

For all of us some words of wisdom are passed on by Ray Leist. You might ask yourself; "Does this apply to me?" Here it is!!!!

MEMBERS !

Are you an active member,
the kind that would be missed,
Or are you just contented
that your name is on the list?

Do you attend our meetings,
and mingle with the flock,
Or do you meet in private and
criticize and knock?

Do you take an active part
to help the work along,
Or are you satisfied to be
the kind who "just belong"?

Do you work on our committees
to see there is no trick,
Or leave the work to just a few
and talk about the clique?

So come to meetings often,
and help with hand and heart,
Don't just be a member,
but take an active part.

Think this over, members,
you know what' right from wrong,
Are you an active member,
or do you "just belong"?
