December Newsnotes.....

The meeting on December 13, 1991 was well-attended! We had an election, news on the Annual Find of the Month Contest (winners for 1991 to be announced at the January meeting) and plenty of news for those anxious to try out those new detectors (anticipated???) around Christmas time!

Around the Hunt circuit...We find the D&F Club in Orange City, FL will be having its members only hunt sometime soon. News of the "big" hunts have whetted some of the members appetites for finding that "big" one plus the fact the latest detectors on the market are worth shelling some cash out for. For those of you who are members, friends we have several members who regularly test detectors and who also may sell detectors. Some of these folks are really talented t'th'rs, but space and lack of paid advertising does not permit publicity.

The Weeki Wachee Metal Detecting Club will be having their 3rd Annual Hunt on Saturday, April 4, 1992 the Weeki Wachee Christian Camp in Hernando County. The camp is located on the Weeki Wachee River and cost of the hunt for early birds is \$20.00. After March 2, 1992 the cost is \$30.00. There are five hunts total, and camping is available in somewhat primitive surroundings. Hook-ups for campers, trailers, et cetera are available as well as dorm rooms. For information contact: Marie Hillenbrand, Registration Chairperson at (904) 686-3616 or Bob Plawinski at (904) 688-7862 for the hunt called "Beepin on the River."

Results of the Annual Election can be viewed in the Club Officer lineup on the cover. Congratulations are in order to our Officers who were all re-elected for 1992.

Bank Night had a winner in Donald Smith who won the  $\frac{1}{2}$  and  $\frac{1}{2}$  split and lined his wallet with \$30.50. One lucky fellow was Alden Mitchell who won the final draw of the evening with his winning badge number, and pocketed \$40.00. Alden also had some great finds and wins noted as we will see in the Find of the Month below.
