Welcome to new member Jeffrey Atwood of Altamonte Springs, FL. The club membership ( renewals for 1992 ) stands at 50. This includes member club mailings! If you know of someone who did not receive their newsletter they are tardy in paying their dues. End of the year membership stood at 95 on 12-31-1991.

FEBRUARY NEWSNOTES:

Your Editor was absent at the February 14 meeting. The news of the "Sweethearts Day" meeting will be published in the April newsletter. Meanwhile.....

News from Ray Leist....

Ray has asked me to remind you all your DUES are due. The mailing of this newsletter is considerably slimmed down from the February one. As you may recall we have reminded the members that this was coming. Sign-up was excellent in January, but February was another story! Any organization such this cannot afford to foot the bill for delinquent members, and put on hunts, parties, games, host speakers, provide food, et cetera without the support of the members. We NEED YOUR MEMBERSHIP DUES! Tardy ones can mail their checks of \$12.00 per single or \$24.00 per family to...

Thank you! The Editor.

News of Our Members:

Clare and Shirley Meyers recently penned letters to Ray and me letting us know that they were reluctantly giving up their membership because of interference with Shirley's work schedule, and the distance of 60 miles at night. They mentioned that they enjoyed the club meeting when they could attend. We will miss having you as members, Clare and Shirley! Folks that wish to contact them can do so at: 525 Adams Avenue, Cape Canaveral, Florida 32920. Telephone is (407) 783-2081.

Alden & Marian Mitchell wish to let their fellow members they have a new address. It is 3313 North Citrus Circle, Zellwood, Florida 32798. After April 1st, they are at 6 Knowlton Avenue, Farmington, Maine 04938. Some of you may recall that Alden has won quite a few awards for his finds, some of which came from out-of-state.

Herb Phillips "Bottle Hunt" has produced under 5 out of 10! The latest were found in Sanford and Orlando. For those of you that might like to be reminded again, the loot and the missing "key" is stashed in individual bottles in county parks from Leesburg to Geneva. Only one key will open the chest! Let's dust off those Metal Detectors and get cracking! Our reputation is at stake!

Coin Shooters Daily Log: A copy is available for those who are so inclined to keep records. We have these available from time to time at the meetings so make use of your "freebie."
