

# CENTRAL FLORIDA TREASURE TALES

CENTRAL FLORIDA METAL DETECTING CLUB  
JUNE 1996

I hope everyone else is finding more than I've been finding. In the last half dozen outings I've only found 6 or 7 pieces of junk jewelry, and about \$7.00 in change. I guess we all have dry spells. I do have a light at the end of the tunnel. I'll be in Fort Lauderdale for a week in July. I plan to spend at least a couple hours each night on the beach. Sounds promising!!!

Take note of the next two dates. The FMDAC hunt in October hits its first cut off date June 30th. After that the cost starts to go up. Treasure Week '96 starts June 29th and runs until July 6th. (There will be more on both hunts inside this newsletter.

The Central Florida Metal Detecting Club meets the second Friday of each month. Meetings are held at the Goldenrod Civic center, close to the intersection of Aloma Ave. and Palmetto Ave., and start at 7:30 PM.

Next meeting: Jun. 14th  
July 12th  
Aug. 9th

**MAY NEWSNOTES:** The May meeting started as usual. The minutes were read and accepted. The Treasurer reported a April ending balance of \$1181.94.

Fred Schimmel gave a report on the camp hunt. There were only a few members who made it. They said it was a very enjoyable hunt. The weather was perfect and some silver was found. Those that showed decided to only hunt the day. I hope the next hunt works out better for everyone and we can have a bigger attendance.

**Federation News:** Ray and Lonna went out to Las Vegas last month so Ray could attend a Federation Board meeting. The meeting was held in Boulder Nv. at the home of Sandy Crawford. Ray told us that the North West Chapter President had been involved in the Custer Battlefield work. The archaeologists had been using detectors, but with out a lot of success. When the detector hobbyists helped things picked up. In one two day period they dug about 4000 targets. At one point a boot was found, with the remains of a foot still in it. The Federation hunt is coming together good. Table spaces will be available for \$50.00 each while they last. Friday night the Southeast Council will hold a water hunt. According to Al Dubiel it will be silver and clad coins, so it probably won't be worth going out of your way to go to. In an effort to promote the hobby with kids the Federation will not charge dues to those under 14 and is planning to start some programs designed to reward kids who participate.

A newsletter from a Pittsburg club tells of four club members who helped the police find evidence in a murder. The police had combed the area but with no luck, so they asked the detectorists to help. It didn't take long for them to find a set of brassknuckles, which was what they were looking for. It should be mentioned that the ages of the four were 57, 64, 74 and 81.

The two members of the Marine Archaeologists Society who were caught in Leon County are being charged with a felony 3 for removing artifacts. It appears they are being used to set an example.

Fred Schimmel won a Silver Dollar in the raffle.

Joe Walton won \$15.00 in the 1/2 and 1/2.

#1. Bill Ackerman, grabbed \$20.00 from Bank Night and ran.
