January has come and gone but it left behind some bad cold temp's. The outside plants really took a beating and look real sad. Looks like a good spring for the landscapers. We had our annual old town hunt January 14th. We met over in Deltona and about 25 eager hunters showed up. I handed out maps of the area and the hunters were to fan out and meet back in four hours with their finds. At the end of four hours most of our hunters arrived, some with dirt up to their elbows. There were some very interesting finds. Oldest coin a 1886 Indian head penny—found by Glen Hanson, most coins (dollar amount) five dollars—Ron DeVary—best jewelry small diamond ring—Ralph Ail, most jewelry three rings bracelet and some pins—Ron DeVary, most unusual find a model T Ford hubcap? Each winner received \$10 for their finds. Also found was a old cap pistol, 1918 Walker, 3 other Indian pennies, 9 wheat pennies and 2 barber dimes. A very productive hunt. See what these people did in less than four hours. We will have a guest speaker (thanks to Doug) for the February meeting. More about this in the Club News on page 4. We still need some help on club cards, club greeters and refreshment's If you could help out it would be greatly appreciated. We need to remember those on our do better list -Bob and

Faye Alaxender, Sue Rainey, Peg Walker, and Tony Krapil. Our list is getting shorter so maybe your thoughts and prayers are working. Try to give these people a call or send them a card. If we haven't seen your face in a while, we have missed you. We will see you at the next meeting and don't forget "bring a stranger".

**- SECRETARIES REPORT FOR
DECEMBER MEETING
SUBMITTED BY CHUCK HOSBEIN**

The January meeting of the Central Florida Metal Detecting Club was called to order at 7:35 p.m. by President Ray Leist. Ray opened the meeting with his joke of the month. This month's joke was about two old folks at the breakfast table who should watch where they place their coffee and oatmeal. We had a few guests at the meeting who were recognized as well as those celebrating birthdays and anniversaries during the month of January. Secretaries and treasurers reports were read and accepted.

The bank balance was \$1004.41. Ray handed out some more award certificates to club members who assisted the OPD in locating the gun that killed one of their officers. He also gave out 2 award's to Pete Sabantini for returning rings to their owners. Ray noted that there will be a Civil War re-enactment in Gettysburg on July 4th. It was suggested that the club get a bus and go on some type of field trip. Everyone would have to pay their own way.

Ray introduced the new club officers for 2001. These are:

President————Ray Leist
Vice-President——Al Mills
2nd Vice President—Grady Cox
Treasurer————Lonna Leist
Secretary————Chuck Hosbein

Officers for the FMDAC are:

President————Carolyn Garrett
Vice President——Betty Weeks
Treasurer————Shelly Hatcher
Secretary————Frank Colletti

Club dues are due by the February meeting. If you have not paid, you will be dropped from the membership list. Dues can be paid at the February meeting or mailed to Lonna. Ray read a letter from Garrett Metal Detectors. If a member buys a Garrett detector, Garrett will credit the club for \$50. They are looking for stories. Each article published will get a \$50 credit. A letter was read from the GPAA. They will be having a

hunt in Prim Nevada. Ray has the info. Roland Davis and a couple club members assisted the Orlando Police in hunting for evidence in a recent shooting. They hunted a property and were able to locate a bullet, ring and other evidence of the murder. Ray indicated that Sanford Ave. is now being torn up. This will probably be a good hunt site. The old Town Hunt will be in Deltona. Everyone meet at McDonalds at the I-4 Deltona exit at 9:00 am. There will be cash prizes in five categories. The meeting adjourned at 9:20 p.m.
