Corner

Hello out there. Well another new year and millennium has come and nothing crashed except for the Florida State and University of Florida football teams. Did everyone have a joyous Christmas and a Happy New Year? I certainly hope so. Lonna and I traveled to the great frozen tundra of Kansas and Oklahoma and froze our keesters off. Now I know why we live in Florida, however when we got back to Sunny Florida we were greeted by 30 minus degree weather. What happened????

I hope everyone had a chance to do some detecting over the holidays. Our club seems to be losing members. We all need to encourage our older members to rejoin and also to talk to anyone that has an interest and invite them to our meetings.

We need some new club cards made up. If anyone has access to do this on your computer and is willing, the club will finance this project. If you can make up a sample and bring it to the club meeting so we can see what it will look like. This newsletter will be a little shorter this month because we got home latter than

expected and I did not get some of the items I had planed to put in the letter researched. We want to remember those on our do better list-Bob and Faye Alaxender, Sue Rainey, Peg Walker, Tony Krapil, and Belle Peyton. Our list is getting shorter so maybe your thoughts and prayers are working. Try to give these people a call or send them a card. If we haven't seen your face in a while, we have missed you. We will see you at the next meeting and don't forget" bring a stranger".

- SECRETARIES REPORT FOR DECEMBER MEETING SUBMITTEDBYCHUCKHOSBEIN

The December meeting of the Central Florida Metal Detecting club was called to order at 7:30 p.m. by president Ray Leist. This months meeting was the annual Christmas party.

Ray opened the meeting with his joke of the month. This months joke was about a lady who goes to church and donates a \$1,000 a week. He also read a recipe for fruit cake that sounds like everyone would want to try. Secretaries and Treasurers reports were read and accepted. The bank balance was \$1172.79.

Lonna has opened a new bank account for the club. Checks for the club are to be made out to Lonna or CFMDC.

Ray gave out two award certificates to Alden Mitchell. The first was for finding a class ring lostr in 1986 and returning it to it's owner. The second was for master of the misc. finds of the month.

There were also extra certificates for those who helped locate the gun for the Orlando police.

The finds of the Year will be judged at the January meeting. If you won a find of the month during the year 2000, be sure to bring your finds to the meeting. Jerry Hitson had pictures at the meeting for the various finds of the whole year.

Grady Cox indicated that the school hunted in November had good feedback from the owners. There was a good turnout for the hunt.

After the short meeting, the Christmas party was enjoyed by all.

All club members and guests had cartoon character names pinned to their backs as they entered the meeting. Everyone was allowed two questions per person to try to identify your character. Ray gave silver dimes as prizes if you figured out your character and most every one did after a little help. Ray also had clues to various kinds of vegetables, flowers and trees. Everyone was given a clue and they had to guess what if was. If your

guess was correct you also received a silver dime.

If you missed the December meeting you missed the wonderful Christmas dinner and party. The club supplied turkey, dressing and giblet gravy. Everyone else brought a covered dish. There was delicious as well as plenty of food.

After dinner, Ray had a drawing for seven poinsettia plants.

Ray also discussed all the great finds made by the club during the year 2000.

The December meeting was adjourned at 9:25
