### Presidents Corner

Another month has passed and I hope all of you have had a pleasant summer. Now is the good time to live in Florida. It will be good to have some cool weather where we can get out and enjoy.

**ATTENTION::** We will start taking items for the Women's shelter in Sanford at the November and the December meetings.

These items should be things that a women can use, such as, toothpaste, soap, female items, socks and other items of clothing, perfume, and any other items that would pertain. Last year we gave several items and lets give more for this year. Bring these to the club meeting's.

#####

Lonna would like for you to start paying your club dues for next year. Her mother is not doing well and we might have to go West to stay with her for a while. She would like to have everyone paid by the December Meeting. If you cannot make these meetings, mail them to the address on the newsletter envelope and make checks to CFMDC.

**ATTENTION-ATTENTION-ATTENTION.**

November is the month that we have elections for the 2003 club officers. If I am to remain president I need some help. It is hard for me to find hunt sites that are large enough for the whole club to get into. Also with the other things that I do, such as, get the silver for the hunts and silver raffle, newsletter, finding hunt sites ( which is the most difficult) getting speakers, holding planted hunts, listening to your concerns and keeping everyone happy. If you could just do one of these things it would make it so much easier for me. Thanks.

@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@@

I will go back for surgery on my right ear on November the 12<sup>th</sup>. Now watch what you say about me. The doctor said I should be able to hear a gnat fart.

We need to remember those on our do better list Don Hurtig, Sue Rainey, all need our thoughts and prayers. If you know of some one who has had some illness, please let me know. Give these members a call or send a note. If we have not seen your face in a while, we have missed you. We will see you at the next meeting and don't forget, "Bring a Stranger".

President Ray Leist.

## Secretary's Report For October Meeting

Submitted by Chuck Hosbein

The October meeting of the Central Florida Metal Detecting Club was called to order at 7:40 pm by club president Ray Leist. This month the Pledge of Allegiance was led by Bill Shackelford.

The joke of the month for this month was about an old doctor in an old small town who made a house call to a lady about to have a baby.

We had a few guests at the meeting and they were recognized as well as everyone celebrating birthdays and anniversaries for October. We had no new members this month.

Secretary's and Treasurer's reports were read and accepted. The closing bank balance for the month of September was \$707.52

No awards were handed out this month for returned items. Challenge hunt awards were given to Bill Green for completing level 3 and to Roland Davis for completing level 3 and 4. Ray told the club about a ring he searched for and found. He had some trouble getting to the correct address. Ray also showed the club a newspaper article from the Daytona paper. Ray had his picture in the paper as part of the article.

Ray received the ballot information for the FMDAC. The club voted to postpone the vote on the FMDAC officers until the November meeting.

Ray has pens and pencils for sale. He had several samples at the meeting to see. If anyone is interested, contact Ray.

The annual club auction was held at the October meeting. We had several nice items that were auctioned off.

Lonna indicated that she would like everyone pay their club dues prior to the start of the year. She indicated that she might miss some meetings after the start of the year. We guess that Fred Schimmel was the bank nite winner because he left with all the numbers before we drew for the winning number.

The meeting was adjourned at 9.10
