President's Corner

This time for sure - warm weather is finally here (I hope). With a break toward good weather, hopefully all of you are getting some detecting time in. Soon it might be just a little too hot, but we can deal with that when the time comes.

I'm told that the beaches are just now starting to give up a few dropped items - not many but it's a start. Because nothing much is going on at the beach yet, it might be the right time to knock on a few doors and see what backyard treasures can be uncovered. Asking permission to hunt an old house site takes some guts, but, the rewards can be awesome. Give it a try; you won't know until to ask.

Several of us attended to hunt last month in Wabasso. It was a little wet, but we all had a good time. If you can make one of these guest hunts by all means go! It's fun to meet others in our hobby and see just how they do things.

I was pleased at the last meeting to be able to hand out a few well deserved special awards to those who have done some outstanding things as club members. Returning an item to its original owner is something we should all try to experience at least once. It's usually quite a thrill for both parties and something to remember for a lifetime. And to those members who have volunteered time, services, or other valuable help, we all owe them a great big "Thank You!" Without you, the CFMDC club would be the loser.

With the new month, we all have at least one NEW thing to look forward to and that is the fact that at the April meeting, we will be conducting the first drawing for the new "Silver 50/50" raffle. As you know, this raffle prize has been growing since the January meeting and has accumulated quite a large

collection of real SILVER COINS. Half of these coins will be going home with some lucky person this month. This meeting will be the last chance to win until next quarter so be sure to bring some silver coins and grab a ticket or two for the drawing. Good luck.

We are planning several activities in the upcoming months and some of these will be announced at the April meeting. It looks like sometime in the summer, we will be able to put together a "night hunt" on the beach. If you've never gone detecting at night, plan on making this one. It is an experience you won't soon forget and it may even get you started on another facet of our hobby. These will be "members only" events so if you haven't paid your dues you may not be able to attend.

At our last meeting, I was proud of the amount of money that went to a very worthy cause on meeting night. The CFMDC members "shopped" the tables and the result was well over two hundred dollars toward the needs of a woman that none of us even knew. You should all be proud to belong to such a fine group. Thank you all.

Secretary's Report - Debbie Green

CFMDC Meeting Notes

The March meeting of the Central Florida Metal Detecting Club was called to order at 7:30 p.m. by club president Alan James. The meeting was opened with the Pledge of Allegiance led by Bill Green.

Secretary report - Read, with corrections - new members at the February meeting were Donna Holly and Michael Owens. Lorrie Sprigg was the first place winner in the single jewelry category, not George Case. The March 13, 2010 hunt was in Wabasso, Florida. Report with changes was voted upon and accepted.

Treasurer report - Read, voted upon and accepted.

Alan James - Asked George Case to come to the front. George gave Lorrie Sprigg the \$5.00 for being the first place winner in the single jewelry category in March.

Rob Hill - Donating the publishing of the address list, and the club heartily thanked him.

Lonnie Lytle - Returned a class ring to its original owner.

Chuck Hosbein - Returned a class ring to its original owner.

April meeting will take place as scheduled on the second Friday.

August meeting must be the first or third Friday.

Discussion from the floor:

Recruiter of the Year - George Case suggested that the club award a recruiter of the year award for the person that brings the most new club members to the CFMDC. The lively-hood of the club is its new members.

Club Card - The club needs to make a new invitation club card.

Motion by the President: Create a new club invitation card. Motion was seconded and voted

upon - **Motion passed.**

Rob Hill - Volunteered to print the new club handout cards.

Night Hunt - Alan James would like to have a night hunt at low tide during a full moon. Lorrie Sprigg volunteered to research possible dates. There can be no lights to plant the field, the beach access gates are closed by the beach patrol at varying times, and red lights can be used. June or July are the warm months and the hunt could take place between 9:00 p.m. and 12:00 a.m.

Rob Loucks - Suggests a metal plate (price estimate \$3 each) to be given to first place winners. The first win would included a wooden plaque (price estimate \$10 each). Thereafter, the first place winners would receive a metal plate to attach to the plaque.

Motion by Lorrie Sprigg: First place winners would receive a wooden plaque and thereafter receive a metal plate for their wins. Motion was seconded and voted upon - **Motion passed.**

Alan James called Jennifer (community member) to the front of the room. Jennifer's mother has breast cancer and a "Pink Ribbon" Community Rummage Sale will take place in the club meeting room on Saturday, March 13. The club was invited to look at the sale items, and make a purchase.

Break - Vote on finds of the month, and enjoy refreshments.

Meeting was called back to order by Alan James.

Linda Bennett - Presented Ray and Lonna Leist with a clock and metal detecting frame with a picture as a thank you for their years with the club.

Bank Night Drawing - Winner, David Stone.

Half and Half Drawing - Winner, Bill Green.

Nannette Burdick - Volunteered to bring a baked good to the April meeting.

Alan James asked if there were any more items from the floor and there were none.

Meeting closed by the president at 8:58 p.m.
