President's Corner

WOW, 2010 is almost over! Where does the time go? We seem to ask it every year but this year zoomed by especially fast, at least for me.

As we near the end of this year, I want to be certain that everyone one of you hears a sincere "thank you" from me. I've learned a lot about the workings of the club over this year but most of all I've learned how incredibly supportive the membership is. As a team, the Central Florida Metal Detecting Club has been outstanding. Throughout the year, members have stepped up and offered their assistance more times than I can count and I am truly grateful for all the help that I have received and all of the lasting friendships that continue to strengthen.

In 2010 we have witnessed some monumental events within the club, some good thing and some not so good. To me, Ray's passing was the single most sorrowful change that has ever happened in the history of our club but I hope Ray would be proud of where we are today.

I've watched brand new members learn how to swing their detectors from some of the most seasoned veterans. I've been amazed at the finds table every month, trophies from as far away as England or as close as the park across the road each have a story to tell. When I listen about Mel Fisher's Atocha discovery, a small silver coin from a local ball field or the fantastic number of returned items I always marvel at this hobby and those individuals who share this hobby. Sharing is what it's all about.

The upcoming cruise must be confirmed quickly. If you intend to go on the cruise, David Gray must be contacted and your deposit must be paid soon. If deposits are not delivered to David, he cannot reserve a cabin. David's contact information is in the club directory. Hurry on this one.

I can't believe I'm saying this, but ... We **WILL NOT** be meeting at Colorado Steak House prior to the December meeting. Instead, bring a dish and enjoy Christmas dinner at the regular meeting. Guests are invited and welcome. Bring a \$10 gift for the exchange.

Merry Christmas and Happy New Year to everyone!

See you at the meeting "eating hall".

Lorrie Sez:

Hi Everyone,

I bet your running around doing that last bit of Christmas shopping? Can you believe it's here again? Don't forget our annual Christmas party this coming Friday the 10th of December. We will have our usual \$10.00 gift exchange **but the rules have changed.**

All gifts are to be generic, meaning buy a gift they could go to a man or woman. Some suggestions are things like candies, cookies and nuts. Sam's wholesale and Costco have a lot of suggestions. Food of any kind is always appreciated since we all have so much stuff. You get the idea. A \$10.00 limit on gifts.

Please NO GIFT CARDS!!!!

I want to thank all who brought pies to our pie night. The left over pies were donated to the soup kitchen downtown and we were able to feed about 80 people for their Thanksgiving dinner. That was real nice of you. Thank you.

Please dress festive it is a Christmas Party.

Thanks Lorrie
