# PRESIDENTS DESK

2021 is coming to end and we are moving onto a fresh new year of 2022! I am not sure where the year has gone! I hope everyone has a great holiday and stays safe.

At the meeting on Friday, we will all relax and have a holiday feast that is being provided by the church. Remember this is for members only and each member can bring 1 guest. We will enjoy turkey, mashed potatoes and all the goodies to go along with it!

We will also have a gift exchange. To participate please bring a gift between \$10 and \$20 that is wrapped with no name on it. We will have a few gifts for kids if they are attending so that they get age-appropriate gifts (no wine!). We will also have our formal elections for the new 2022 board. Please make sure you vote!

I really want to thank everyone on the board for their hard work these past few years. Jim Fielding has been a huge asset for keeping the club activities running smoothly for the last 3 years. Shane Bryant did an amazing job with the newsletter and was very creative. Kathy Waters knocked the finds table announcing out of the park. Vickie Chilla is great at keeping track of the funds! I also want to thank all the other club volunteers that help make every meeting and event run smoothly. We all do this for fun and it does take time to coordinate everything.

Lastly, I want to thank everyone for the opportunity to serve as the club president for the past 3 years. It has been a ton of fun! I cannot wait until I can participate in the hunts next year again!

See ya at the meeting!

-Carolyn

# AWARDS

---

Brian Mott received a call about a lost ring. It was lost in the water near the New Smyrna Lighthouse. He lost the ring after throwing out some shrimp. Brian strapped on his Scuba gear for 4 hours but couldn't find it. Luckily, the gentleman's wife had a picture of where he was when he lost it, and it happened to be a little farther out than what was remembered. After having the location narrowed down a bit, Brian was able to successfully recover the ring! Another fascinating ring save by Brian! Congrats!
