Carolyn Harwick:

**From The
President's Desk**

Welcome to 2020! A new year and new decade! This year, we have new board members that will work on continuing to make the CFMDC the best club in the nation. Thank you Michael McClure and Mark Hoover for all the hard work that you have done for our club. We couldn't have been successful without you! Welcome Kathy Waters and Shane Bryant to the board!

The January meeting will be a big one! It is the yearly awards for Hunter of the year and best finds of the year. If you won first place in any of the 8 categories last year, any month, please bring those finds in to compete for Find of the Year.

Also, please bring all of your finds in from December and January so that you can start competing for Hunter of

the year 2020! We will be combining the finds for December and January. These finds will count as one month of finds, and will be the first points for the new year.

We have already begun planning for our 8th Annual Sunshine Silver and Relic Hunt. You can sign up on the website by clicking here: <http://www.thecfmdc.com/sunshineregistration.html>. If you sign up before 2/1/2020 then you will get a free shirt. Nokta Makro has agreed to be our platinum sponsor again this year. Garrett, Minelab, White's, and Kellyco are all Gold Sponsors. We are still working on our special guests.

If you have made any recent recoveries, please let me know so that I can acknowledge your hard work. I want to make sure that your actions are shared with all of the members of the club!

See you at the next meeting.

Please hold on to your gift, the exchange will occur later.

We are getting a lot of inquiries concerning the 2020 Silver Hunt from sponsors and donors already. This indicates our hunt should be very popular next year.

At last month's charity hunts, we collected two pickups full of donations, as well as over \$1000 cash for E.S.T.H.E.R.. Thank you for supporting this great cause. Minelab was happy with the results of the Vanquish launch that coincided with the two hunts.

There was a singing of the 12 Days Of Christmas by the club members, each table representing a day, which turned out to be quite entertaining.

Tonights food was prepared and being served by members of the church congregation... THANK YOU! -

Let's eat.

The kids and adult gift exchanges were done by creating circles of participants, then passing the gifts left and right odd numbers.

The party came to a close soon after.
