The Monthly Newsletter of The Central Florida Metal Detecting Club

JULY 2018

Carolyn Harwick: From The President's Desk

I hope everyone is enjoying this warm and stormy weather that seems to not want to stop. Hopefully everyone had a safe and fun 4th of July. I still cannot believe how fast this year is going by.

After our last club hunt, we had 28 club members get certified! We are really excited that so many members are open to helping us take first step in process of being able to approach counsels and attempt to make some changes with the laws regarding metal detecting. We will announce the next certification class at the meeting.

This month's meeting will be a fun one. We will be having ice cream on our break to cool down from the heat. We have a lot to cover at the meeting and have some fun and exciting news to announce.

All of our donations have been given to the History Seekers in Deland and they were

really thankful for our support. We will continue to build this relationship with them and other organizations in the communities we belong to.

In spite of the heat, there have been lots of recoveries and attempts at recoveries for lost items. Thank you to all of you! Remember, if you found an item or attempted to locate an item please let me know ahead of time so that you can be recognized for your actions.

If anyone has any bottle caps that they have found, I have been asked if we can collect these over the next couple months to give to a project that needs as many as we can provide. Please bring them to the July and August meeting.

The club hunt will be on July 21st at Frank Rendon Park-2705 S Atlantic Ave, Daytona Beach, FL 32118. This is the Ray Leist Memorial Hunt and is open to several clubs.

See you at the next meeting.

Carolyn

CFMDC JUNE 2018 Meeting Notes

The June meeting of the Central Florida Metal Detecting Club was called to order at 7:30 pm by club president, Carolyn Harwick. The meeting was opened with the Pledge of Allegiance led by Marc Hoover.

Secretary Report-

May minutes accepted as published.
May newsletter: accepted as published

Treasurer Report-

Chuck Hosbein was unavailable for the meeting. Treasurer's report presented by club Secretary Michael McClure.

Jim Fielding-

Certificates of Appreciation:

Marc Hoover found a silver Medic-Alert chain at Camp La-No-Che. The owner was located and

the chain returned.

Lee Noga found the wedding band of a visiting Canadian citizen at the beach and was able to return it to him before he returned home.

Kathy Waters and Ken Arrington searched for an Apple wristwatch without success.

Carolyn Harwick-

Any donations for the West Volusia Historical Society can be placed in the box at the back of the room.

The June club hunt will be Saturday the 16th at the church pavilion located at 453 W. Highbanks Road. Approx 1.5 miles west of the church. The hunt begins at 9am. After a break for lunch, the new club certification program will hold its first session at 1pm. Detector coil types, pinpointing, target IDing, target recovery and the Code of Ethics will be covered.

Jim Fielding and Carlyn Harwick-

7 First time guests greeted to the meeting.

Jeff Zolna, the President of the WSAS(Tampa Bay Diggers), was introduced and he talked of his clubs growth which he attributed much to the CFMDC and its presence in Central Florida.

Birthdays for May-

JoAnne Jolin, George Case, Jocelyn Myers
Gail Hoover, Ken Cassidy, Jan DelRussi
Brenda Burke

Anniversaries for May-

Bea & George Case 50 yrs., Janice & Alan James
Jeanne Cygan & Ron Caiazza

Carolyn Harwick-

Janice James has stepped down as club librarian. A volunteer is being sought. Alan Workman (<http://www.workmansbooks.com/>) accepted the position.

Break - Refreshments, finds table voting

Carolyn Harwick-

Thank you to Gail Hoover, Debbie Bishop, Alana Bates and Debbie Green for serving pizza and refreshments during the break.

Jim Fielding-

Volunteers are sought to assist at the kids camp at Meadow Woods Park on Friday June 22. From 1:30-3:00, introduce the children to the sport/hobby of metal detecting. Please contact Jim Fielding 407-342-9630.

Marc Hoover-

Tech Talk: **Being Prepared.** Use a magnetic golf ball marker to determine ferrous metals, or mark a spot to return to if you have to step away. Carry extra batteries, pin-pointer, flashlight, backup battery for charging wireless headphones and your phone. Use a tether on your pin-pointer to prevent loss (do not use the ring that goes between the cap and pointer body, it renders it NON waterproof).

PLATINUM FACTS

The majority (about 80 percent) of platinum is mined in South Africa. Approximately 10 percent is mined in Russia, and the rest is found in North and South America, according to the U.S. Geological Survey. Because platinum and other platinum metals usually aren't found in large amounts, they are often byproducts from mining other metals.
