Carolyn Yohannes:

From The President's Desk

Happy 4th of July everyone! I hope everyone had a great holiday and stayed safe out there. I also hope you found some amazing finds! We are more than halfway through the year 2021 and summer is in full swing! Make sure you stay hydrated and keep an eye on those summer thunderstorms! They can turn a detector into a lightning rod.

Friday July 9th we will be meeting at the church for the monthly meeting. Please park on the left side of the church. We are no longer using the entrance that we have used in the past and now enter through the main doors. We will be there around 6:30 to open the entrance. If you would like to bring in snacks to the meeting, please feel free to. Debbie's cookies were a hit at the last meeting!

We will have a club hunt on July 17th at Frank Rendon park. This is a members only hunt. It will begin when it is dark. We will meet up at 7:30 pm. Remember, during a night hunt, no lights are allowed! This will be a fun hunt and FINALLY we will get to have a beach hunt. It has been over a year!

We understand that it is hot out there and that some of you are not hunting due to the heat. But we are also aware that there are a lot of you hunting. Please bring your finds this month to show off. Last month the finds table had numerous categories with only one item. There were no entries to give first or second place either. This year the finds table is only running for 6 months so there is a shot to be hunter of the year! We also all love looking at the finds!

See ya at the meeting.
