The Monthly Newsletter of The Central Florida Metal Detecting Club

MAY 2019

Carolyn Harwick: From The President's Desk

It's time again! April showers means May flowers! Spring is here and we still have some time to get some detecting in before it is really hot out. On May 12, 2019 we will be celebrating Mother's day so make sure you get some of those May flowers put to good use! On behalf of the entire Central Florida Metal detecting club, I would like to wish all of you mothers out there a Happy Mother's Day!

Also this month on May 27th, we will be celebrating Memorial Day. Please take time to remember all those who fought and died for our rights and freedoms. Without their sacrifices, we would not have the freedoms that we have today.

I want to say thank you to all of you who volunteered at the West Volusia Historical Society this year. I especially want to thank Ken Arrington for setting it up. About 20 kids attended and had a blast. Ken Arrington, Karen Arrington, Debbie Bishop,

Matthew Bishop, Randy Brummit, Ron Ciazza, Jeanne Cygan and George Landgrave represented the club in a positive light with the community. I really hope we can get some more members out participating in these activities soon!

We will have a club hunt on May 18th. The location will be announced at the meeting. We will have a special hunt master this hunt! Stay tuned for details.

I'll see you at the meeting!
