President's Corner

Hi everybody:

Hope everyone is doing well. This is the kind of weather we been waiting for. I've heard about some fantastic finds. One for sure was the one Roland found. Some people requested some one from our club was needed to find 84 10oz silver bars that they had buried 35 years ago. They had forgotten where they were buried. Roland went to their home and after a lot of digging and a lot of sweat he found the cache of the 84 silver bars.

Lorrie Sprigg is our new activity director and if you have any ideas she would appreciate it very much. She has something planed for November and it will be in the newsletter.

Our October hunt went off well and the members who attended found some of the targets for prizes.

If anyone wants to sell their silver to the club I am paying 8 times face. Silver is going down. You can pay your club dues with your silver. This will be used for club activities.

You need to check with Bill Shackelford for the Challengers Program. It is a very good way to get you started hunting for good items.

We have more members that are qualifying for the Hall of Fame. If you find an item and return it to its owner you will have your picture taken and be entered into the Hall of Fame.

We are still collecting items for the Sanford shelter. Please bring in a couple of items and if everyone does this every month this will help the shelter very much. They need stuff bad. **HELP THEM OUT.**

We are still having new members every month. This month we welcome our newest members are David Shiflett and Charles Dunning. And if you see someone that looks new, speak to them and make them feel welcome.

If you know of anyone who needs our prayers and cards let me know.

If we have not seen your smiling face for awhile, we have missed you. Come to the meeting and bring a stranger.

President Ray Leist

Secretary's Report - Chuck Hosbein

The October meeting of the Central Florida Metal Detecting Club was called to order at 7:35 by club president Ray Leist. The meeting was opened with the Pledge of Allegiance led by Bill Green.

Our joke of the month was about a lady with a toddler in the first year of school. One day, they were followed to school by Shirley.

We had a few guests at the meeting for October and they were recognized by the club. We had one new member join the club in October. Our new member is Richard Wyatt Jr.

Several of our club members had birthdays and anniversaries during October. They were recognized and received silver quarters from the club.

Ray thanked Lorrie and Jerry for putting together the "Survivor" get together.

Bill Shackelford noted that he has a free 60 days BJ's card if anyone was interested. Bill also noted that Sanford was having the annual Golden Age Games again. He had information at the meeting. Bill is still accepting pull tabs and also noted that the Christian Center is still looking for food donations. Bill awarded Dabney Small an award and a silver dime for completing level one in the Challenge hunt.

Lorrie noted that November will be pie month so try to bring in a pie. Leftovers will be donated. Lorrie also noted that at the September meeting there were a bunch of guys hanging out in the bushes in the parking lot.

Lorrie noted that the auction will continue and that she has a goal of \$200.

Deyton and Roland discussed recent metal detecting trips to England.

The meeting was adjourned at 9:00.

Mother Doesn't Want A Dog

Mother Doesn't Want A Dog.
Mother says they smell,
And never sit when you say sit,
Or even when you yell.
And when you come home late at night
And there is ice and snow,
You have to go back out because
The dumb dog has to go.

Mother doesn't want a dog.
Mother says they shed,
And always let the strangers in
And bark at friends instead.
And do disgraceful things on rugs,
And track mud on the floor.
And plop upon your bed at night
And snore their doggy snore.

Mother doesn't want a dog.
She's making a mistake.
Because, more than a dog, I think
She will not want this snake.

Riddle for the Month Answer

What famous North American landmark is constantly moving backward?

Niagara Falls

The rim is worn down about two and a half feet each year because of the millions of gallons of water that rush over it every minute.

Riddle 2...

Name six or more things that you can wear on your feet that begin with the letter "S."

Shoes, socks, sandals, sneakers, slippers, skis, snowshoes, stockings

HUNTING TIPS

If you're just visiting a new site and/or scouting around, then go ahead and "Cherry-pick" the good targets. However, if you realize that you will be coming back frequently, then start digging the trash. This will ensure that you don't have to "redetect" that trash targets. That trash might just be masking a good target beneath it. Besides, if it reads as a pulltab, it might just not be a pulltab, but a gold ring.

Speaking of gold, if you want to find gold rings, you have to dig those foil and pulltab signals.

"Where there's Wheat, there's Silver." Basically, if you are finding wheat pennies, slow down! There should be some silver dimes in there.

"Indians Come in Tribes." If you find one Indian penny, slow down, there are usually more.
