President's Corner

Hi everybody:

Boy has this year gone by in a hurry. I went out and hunted the beach today(Wed). Found a big 7cents. Guess I was in the wrong spot. I repeat everyone needs to start thinking about the elections. The nominations will so if you have some one you think would devote their time then nominate them. I can see that it will probably be that the nominations will come from the membership. These positions are very serious and need a good person to full fill them.

The following pertains to the election.

THERE ARE SOME RULES IN THE NEWSLETTER YOU NEED TO READ. ALSO THERE ARE THE DUTIES OF THE PRESIDENT AND THE SECRETARY. CHUCK HAS SAID THAT HE WOULD DO THE TREASURERS JOB. I BELIEVE THAT DEBBIE GREEN HAS STEPPED UP AND SAID SHE WOULD BE THE SECRETARY.

THIS LEAVES ONLY THE PRESIDENTS POSITION OPEN. BILL SHACKELFORD HAS SAID THAT HE WOULD CONTINUE AS VICE PRESIDENT. Now it all depends on you to make the right decision.

If you are going to nominate someone make sure they are in agreement. After nominations then we will have the elections in December.

Also we will need someone to do the Half/Half and Bank Night for next year. Make sure that the person is in agreement before you nominate them.

We will not have the OLD TOWN HUNT IN SEPTEMBER. Some have said the weather is still too hot. We will have this latter on.

Please remember those in need of prayer especially our troops and our COUNTRY. We are in for some rough times if things don't CHANGE.

Keep checking out our web page. Jerry Hitson is doing a great job of putting it together. A lot of the shoot out pics will be there. Lorrie Sprigg is doing a super job as our new activity director and if you have any ideas she would appreciate it very much. Lets all think of some thing we can do to help. Don't forget we have a key hunt coming up Saturday November 14th.

WE ARE COLLETING CLUB DUES FOR 2010. WE NEED TO GET THE CLUB DUES COLLECTED SO IF WE HAVE AN OUTING THAT IS GOING TO COST US THEN WE WILL HAVE THE FUNDS.

THE CLUB WILL NEED SILVER FOR THE FIRST OF 2010. THAT WILL HAVE TO BE THE NEWLY ELECTED OFFICERS PROJECT. I HAVE ENOUGH TO FINISH OUT 2009.

You need to check with Bill Shackelford for the Challengers Program. It is a very good way to get you started hunting for good items.

We have more members that are qualifying for the Hall of Fame. If you find an item and return it to its owner you will have your picture taken and be entered into the Hall of Fame.

We are considering a different shelter for our food items. We will let you know. We are still having new members every month. And if you see someone that looks new, speak to them and make them feel welcome.

If we have not seen your smiling face for awhile, we have missed you, then come to the meeting and bring a stranger. President Ray Leist

Secretary's Report - Chuck Hosbein

The October meeting of the Central Florida Metal Detecting Club was called to order at 7:30 by club president Ray Leist. The meeting was opened with the Pledge of Allegiance led by Bill Green.

The joke of the month was about a man who came home to find his wife jumping naked on the bed.

We had a few guests at the meeting for October. They were recognized and received gold dollars from the club. We had one new member join the club in October. Our new member is David O'Connor.

Club members celebrating birthdays and anniversaries in September were recognized by the club and received silver quarters.

Lorrie brought in cards for everyone to sign. There was a get well card for Debbie Green as well as a condolence card from Ralph Flippo and his family. Ralph's wife passed away after a long illness.

The theme of the October meeting was the Old West. Lorrie gave David Stone a prize for identifying the majority of the outlaw photos from the last meeting. She also had several items of Old West trivia.

Ray noted that along with the new club officers to be elected in December, we will also need a newsletter editor. Wanda will not be able to continue as the editor after the first of the year. Club officer nominations are due in November.

Ray reminded everyone that the club's annual picnic and hunt will take place October 17th at Sylvan Lake Park. Everyone is asked to show up around 9:00 AM at pavilion A. There will be about 40 prizes with buried tokens. Cost of the hunt is \$10 per hunter. Extra tables are needed. If you can bring one, please do so. If your last name starts with A thru M, bring a dessert, other should bring a covered dish.

There will also be a club hunt in Daytona scheduled for November 14th. Cost will be \$5 per person. Everyone should plan to meet around 9:00 AM at the Winterhaven Park. The park is located a couple of miles south of the Dunlawton approach. More information will be available at the meeting.

Ray gave an award to Lonnie Lytle for finding and returning a wedding ring.

We had a couple of Platt books available at the meeting. Ray auctioned them off for \$40, but the buyer left without paying. They may be available at the next meeting.

Lorrie gave out prizes for the best costumes for the Old West night. There were categories for gunslinger, marshal, bandito, bad guy, cowboys, pony express guy, cowgirls, and Indians.

The meeting was adjourned at 8:50.

Recipe of the Month

Sawdust Pie

BAD DAY....

You know you are having a bad day metal detecting when...

You have to go to the recycling center and trade-in all of the Pull-Tabs you found for coins just so you can 'claim' you found money while metal detecting.

You load everything up. Get to the site and no digger?

When the newbie guy you took along with you to show him how to use his new detector gets 2 rings and you get none.

You find that your pocket or pouch has a hole in the bottom and you've been losing your finds.

When you get home with \$5 in change and your wife announces she found gold and diamond ring in the grocery store parking lot, right outside her door where she parked.

When you've been dreaming about going hunting all week long, put 30.00 in your gas tank, drive for 2 hours, walk 20 minutes to the hunt area, start to hunt, it starts to rain and you only find a pulltab, a nail, a hair pin and 6 pennies...

When you walk around for 20 minutes with no signals and then realize you didn't turn the detector on

When you get to your secret spot and 10 others are just leaving

When after 3 hours of great detecting and you are loading your gear back in your car you discover that you had your cell phone on the whole time and it's full of salt water!

(I did that ****sigh****)

DID YOU EVER WONDER...

Why is it called lipstick if you can still move your lips?

Why is it that doctors call what they do "practice"?

Why is it that rain drops but snow falls?

Why is it that when you're driving and looking for an address, you turn down the volume on the radio?

Why is lemon juice made with artificial flavor, and dishwashing liquid made with real lemons?

Why is the man who invests all your money called a broker?

Why is the third hand on the watch called a second hand?

Why is the time of day with the slowest traffic called rush hour?

Why isn't there a special name for the tops of your feet?

Why isn't there mouse-flavored cat food?

How come we drive on parkways and park on driveways?

How come sheep don't shrink when it rains but a wool sweater does when you wash it?

One last time - Please remember to read these before you vote in December
