# PRESIDENTS DESK

---

It is the last formal meeting of the year! I cannot believe that 2021 flew by! The weather is cool, so take some time and get out there and hunt before it is 90 degrees again!

As you all are well aware, we will have our formal nominations at the meeting. Please be ready to make a nomination or nominate yourself! Secretary, Vice President, President, and Newsletter Editor are just a few. The current

board has served at least 2 years (some more) and we would like to see others have an opportunity to bring their ideas like to see others have an opportunity to bring their ideas to the club.

We will not have a club hunt this month, and will resume club hunts in 2022 with the new board.

At the meeting, be ready to sign up for the Christmas party. Remember this is for members only and each member can bring a guest. The Christmas party will be prepared and served by the volunteers at the Church. We need to have a pretty accurate number of people attending, so please make sure to sign up at the meeting. If you are not attending, please let a board member know. If you are attending, let us know on the signup sheet if you plan to bring a guest.

We will have a vote at the meeting to determine if everyone wants to do the gift exchange, and the price of the gift.

Looking forward to seeing everyone at the meeting!

-Carolyn

# SECRETARY'S REPORT

October 2021 Meeting Notes By: Shane Bryant

The October 2021 meeting of the Central Florida Metal Detecting Club was called to order at 7:32 pm, October 8th, by club Vice President Jim Fielding. The Pledge of Allegiance was lead by Jim Fielding.

Our October meeting kicked off with a refresher of etiquette behaviors during our club hunts including:

- Club Members Only.
- Don't walk across the field (marked with bright colored ribbons).
- Fill in your holes.
- Retrieve your own target.
- No pulse machines.
- Turn your sensitivity down, the coins will not be deep.

Following these etiquette recommendations will ensure for a great time for all, keep the event fun and fair, show respect to the land that we are detecting, and show respect to the landowners who graciously allow us to detect there.

Club Board Member nominations are coming up at the next meeting on Friday 11/12/21. Our club will need new leadership including Club President, both Vice President seats, and Club Secretary/Newsletter Editor. Any club member can be nominated or seek nomination for any board member position.

# SECRETARY'S REPORT

---

Do you have an old coin that you don't know the value of? Bring it in to the November meeting and club member Mason Porter, who is a certified numismatist, will help you with information about your coins. He even has knowledge on some foreign coins too!

Congratulations to Club Members Stash and Lee Neubauer on their recovery Awards!

Stash was searching on the beach, and he came across a metal wallet with 5 major credit cards, Identification, and \$200 in cash. After visiting a resort and the New Smyrna Beach Police Department, he was contacted 3 hours later to return it to the rightful owner.

Lee Neubauer scored 2 ring recoveries! She helped someone in Clearwater find a ring that they had just lost. Her second recovery happened when she was metal detecting at a local park. She was flagged down by a gentleman who had just gotten married at the park, She recovered the ring, and helped the couple continue on their wonderful day!

Thats the report! I'll see ya at the meeting!

-Shane

# Code Of Ethics

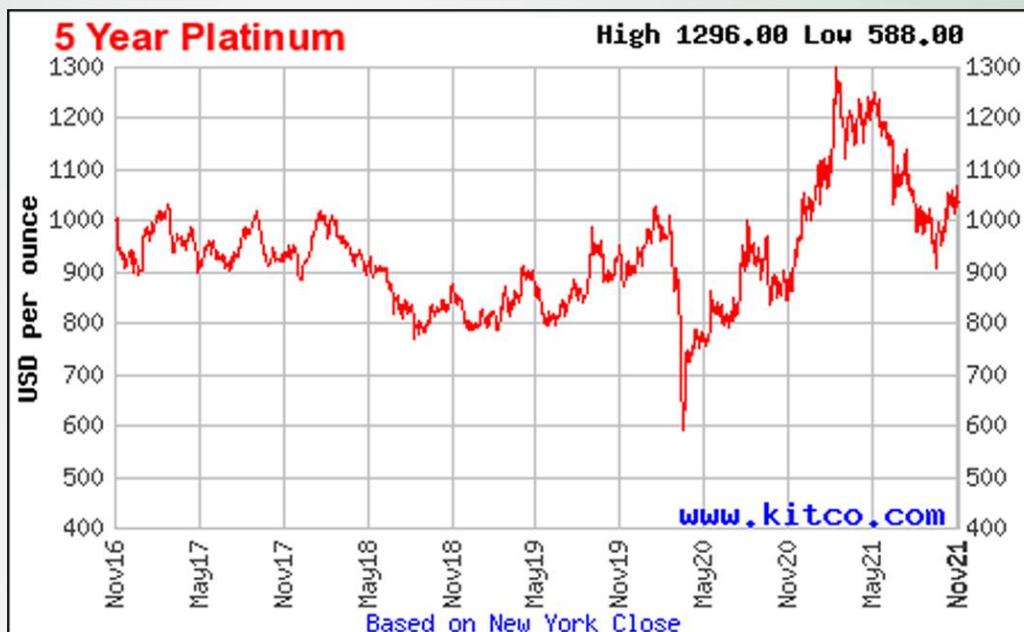

---

## OUR CLUB'S METAL DETECTING CODE OF ETHICS

1. Fill all holes. Leave the land and vegetation as it was.
2. Remove all trash and litter when you leave.
3. Respect the rights and property of others.
4. Observe all laws, whether national, state or local.
5. Aid law enforcement officials whenever possible.
6. Never destroy priceless historical/archeological treasures.
7. All metal detectorists may be judged by the example you set.

Always conduct yourself with courtesy and consideration for others.
