# Marucci Vision Lifestyle and Performance Sunglasses

Marucci Vision sunglasses feature lenses produced by Carl Zeiss Vision that utilize the latest technology to be impact resistant, scratch protected and water repellent while providing 100% UV protection.

Marucci's Lifestyle Collection combines lightweight frames with polarized lenses by Carl Zeiss Vision to produce some of the most comfortable, durable, stylish sunglasses on the market.

Made specifically for baseball and softball players, Marucci's Performance Collection incorporates lenses produced by Carl Zeiss Vision engineered to enhance clarity, improve visibility, and balance color perception that create higher-performing performance sunglasses.

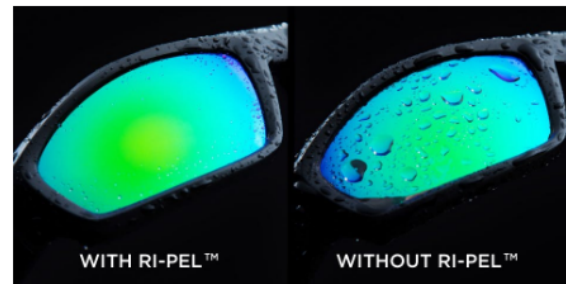

Key features include:

## IMPACTO LENS TECHNOLOGY

### MIRRORED LENS

Lenses tested by Carl Zeiss Vision to provide the highest level of protection against ball impact or collision.

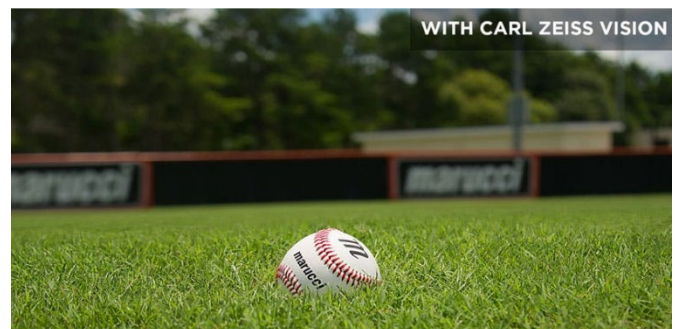

## RI-PEL™

### COATING TECHNOLOGY

Ri-Pel™ is an easy-to-clean transparent, permanent, hydrophobic and oleophobic coating engineered to provide protection from dirt, sweat, and the elements, making lenses ideal for sport and everyday use.

## SEE THE GAME.
