4. 2020 Construction Updates:

a. **2020 Street Resurfacing Project:**

This project is currently in the planning and design stage. Access Engineering Solutions and The City of Celina expect to put this project out for bids sometime in late May or early June with construction beginning sometime after the first of July. This project was postponed due to the covid-19 pandemic. The City opened bids for this project on Thursday the 13th of August with only one bidder, The Shelly Company. Their Bid was \$1,293,479.80 and the engineers estimate was \$1.3 million. The substantial completion date for this project is June 15, 2021. This project has been awarded to The Shelly Company. A start date has not been determined, however it is looking like this project will not start until next spring.

b. **Police Department Cold Storage Building:**

The City took bids for this project on December 10, 2019. The Engineers Estimate for this building was \$400,000.00. There were 8 bids for this project with Miller Builder, LLC of Apple Creek, Ohio being the lowest with a bid of \$308,780.00. Miller Builder, LLC has been awarded the contract and this project has a completion date of September 1, 2020. The contractor did layout the building on 6/25/2020. On 7/28/2020 the contractor began work. The footings and foundation walls were completed 7/30/2020. The concrete floor for the building was completed 8/26/2020. The wood framed walls were completed 9/12/2020. The contractor finally took delivery of the wooden roof trusses. On Tuesday 10/6/2020 they began the placement of the trusses and finished same. The metal roofing was completed 10/20/2020. **The exterior and interior metal siding has been completed as of 11/17/2020. The electrical contractor has just begun work (11/19/2020) and the garage door contractor is schedule to begin tomorrow (11/20/2020). It is expected that the building will be completed on or near 12/1/2020.**

7. Reports of Interest:
 - a. This past week Governor DeWine enacted a curfew in his efforts to combat the COVID-19 virus. The curfew has little impact on the local community as bars and other establishments have been closing early for the last number of months. There has been no further guidance offered by the State of Ohio as to what they expect from local law enforcement.

The Celina Police Department will not be actively seeking out violations of the order. People will be permitted out for other reasons we cannot stop motorists without other probable cause. We will react to complaints and if they appear to be in violation of the order we will pass on any issues to be addressed by the Health Department or the Mercer County Prosecutor.
