**ECONOMIC DEVELOPMENT (TRES) TRANSFER FORM**

Ohio Revised Code 4303.29 allows for the transfer of location or the transfer of ownership and location of a C-1, C-2, D-1, D-2, D-3, or D-5 permit from municipal corporation or the unincorporated area of a township to an economic development project located in another municipal corporation or the unincorporated area of another township in which no additional permits of that class may be issued to the applicant under the permit quota. However the transfer may occur only if the applicant notifies the municipal corporation or township to which the location of the permit will be transferred regarding the transfer and the municipal corporation or township acknowledges in Section B of this form OR in writing to the Division of Liquor Control, that the transfer will be to an economic development project. A permit may be transferred to a different owner at the same location, or to the same owner or a different owner at a different location in the same municipal corporation or in the unincorporated area of the same township. NOTE: The statute requires the applicant to provide the endorsement by the municipal corporation or township at the time the application for the transfer is filed with the division, therefore once Section B is completed return this form to the applicant so they may attach this information to their transfer application.
