6. 2021 Construction Update:

1. 2020 Street Resurfacing Project:

This project is currently in the planning and design stage. Access Engineering Solutions and The City of Celina expect to put this project out for bids sometime in late May or early June with construction beginning sometime after the first of July. This project was postponed due to the covid-19 pandemic.

The City opened bids for this project on Thursday the 13th of August with only one bidder, The Shelly Company. Their Bid was \$1,293,479.80 and the engineers estimate was \$1.3 million. The substantial completion date for this project is June 15, 2021.

This project has been awarded to The Shelly Company. The contractor is planning to start this project May 3rd. They will begin with the milling of pavement on the 3rd and this will be followed by the paving on the 6th. We have added a portion of Jill Ave. from Touvelle to Michael and two parking lots to this project, one at the City Building and the other at the lot located at Walnut and Fayette. The contractor began work Monday 5/17/2021 milling the existing pavement on Irmscher Blvd. in preparation for the resurfacing. The contractor will be working on the streets located on the east side of the City and progress to the west side. Currently (5/20/21) they have begun the resurfacing on Irmscher, Majorki and Eaglebrooke Pkwy. The milling operation is progressing to the east and currently they are working on Lilac and Hemlock. Wednesday of next week they plan to pave the City building parking lot.

City forces are currently removing the concrete parking lot at the City Building and preparing to remove pavement on Jill Ave. This work is complete and ready for the contractor to place the asphalt pavement.

2. Bryson Park Restroom:

Plans have been prepared and are at present being reviewed before being put out for bids. The plans are complete and it will be put out for bids with a bid opening date of 3/25/2021.

The Engineers Estimate for this project was \$250,000.00. Bids were opened and Bruns Construction Enterprises Inc. dba RCS Construction was the low bidder at \$234,900.00. This project was awarded and the notice to proceed was issued on 4/6/2021. At this time Bruns is scheduled to begin this building mid-July.

3. Celina Community Parks Building:
Plans have been prepared and are at present being reviewed for changes before being put out for bids.
4. 509 W. Fulton Street Demolition:
The City accepted bids for this project on March 11, 2021 with A 1 Land Development was the apparent low bidder at \$73,850.00. This project was awarded to A 1 Land Development and they are scheduled to begin the demolition mid-June.
5. Storage Building:
The city accepted bids for this (Electric Dept.) Storage Building on May 13, 2021 and there were 5 bidders. The Engineers Estimate was \$475,000.00. The apparent low bidder was Acron Builders from Arcanum, Ohio with a bid of \$339,780.00. This building is to be completed by November 15, 2021.
