

# WCLA PRESIDENT'S CORNER

December 14<sup>th</sup>, 2022

Hello Friends and Neighbors,

**Merry Christmas, Feliz Navidad, Joyous Noel, Happy Holidays, Season's Greetings, Mele Kalikimaka, Happy Hanukkah and for some...Bah Humbug!** It doesn't matter how you say it or what you celebrate, December brings one thing without fail...reflection.

We usually expect old Kris Kringle to ask kids the question: "Were you naughty or nice this year little Johnny?" I can't speak for all of you but I definitely know if Santa asked me that same question I'd reflect back on the year, look up and say, "Santa baby, I deserve two presents (maybe three) and one lump of coal"!!! I tried my best but...a little naughty snuck in there anyway! I hope as all of you reflect back on your year, you are able to see the good things you did and learn from the little bit of naughty that might have snuck in. I saw many wonderful attributes in all of you that crossed paths with me this year. From volunteering your time helping with social events, taking care of lake concerns such as new posts and signs, beaver control, weed control and fish plants. To preparing meals for our families with health issues, completing boater's safety courses and just being kind to each other and participating in association dinners and events. I heard the laughter and saw the happiness as boats and kayaks went by all summer long. I certainly don't see all of what happens from lake to lake but I hear so many great stories of neighbors helping neighbors and even just sharing an evening together watching the sunset or enjoying a bonfire. You worked hard and you played hard. You juggled life and all it threw at you and that's no easy feat.

So, my Christmas wish for all of you is that as you reflect back over the year, you celebrate the good, the love, the grace and joy that surrounded you. And...may you each get one lump of coal...to keep you humble and honest! Those are the only gifts you need.

**Peace and Happiness to you and your families.**
