

Gordie Howe Sports Complex Tour

May 6, 2024

STS Saskatoon Chapter Activity

Johnny Marciniuk and Tim Prytula, (GHSC), joined by Joel Lipinski from IGNITE ATHLETICS talked about the programs at the Complex...baseball, fastball, softball, football, and even cricket. CFL players use the facility to train in the off season; batting and pitching cages used to train athletes. Next the K+S Sports Centre where we looked at the outdoor track & fields (summer); a skating oval in the winter. On the other side, Cairns field, home of the Saskatoon Berries-complete with blue (purple) colored boards.

Thanks Janet Christ for organizing this great tour...
