Dear Ontario Resident,

The State of California passed legislation (California Voters Right Act SB 976 2001) that mandated cities divide into voting districts. During the summer/fall of 2022, Ontario held community forums to hear from residents about possible boundary lines dividing the city into districts. From those meetings four districts were formed. (See reverse for a map of the districts.)

Each district will elect one council member, while the mayor will continue to be elected citywide. The transition to district voting will begin with the election on November 5, 2024 with Districts 1 and 4 each electing a council member. You and I reside in District 1, so we will be the first to make the transition.

Our city is an exciting, safe, and diverse place to live, work, and play. I hope your family has been enjoying the newly-remodeled Anthony Munoz Community recreation center and pool on 4th Street. You can find all the fun activities that are being held there in *Ontario Living Magazine* that comes to your home quarterly or by going to the website - [www.ontarioca.gov/OntarioLivingMagazine](http://www.ontarioca.gov/OntarioLivingMagazine). Our next event will be the Ontario Arts Festival October 21 in the Arts District, 217 S. Lemon Ave.

As you know, we can always make things better. To that end, I invite you to provide input and share your views on topical issues and ways we can make Ontario an even better place to live. If your neighborhood is interested in hosting a get together, please email or call me to get the meeting scheduled. I am also hosting meetings at two neighborhood restaurants: Joanne's Cafe at 1141 N. Mountain Ave., and Iron Skillet at 805 N. Euclid Ave. The specific meeting dates can be found at the bottom of this letter.

If you don't want to wait for a meeting, please do reach out to me at any time via email ([dporada@verizon.net](mailto:dporada@verizon.net)) or by phone 909-986-2933. I also have a website: [www.debraporada.com](http://www.debraporada.com)

Good citizenship starts with voting. I applaud you for your participation and truly look forward to hearing from you in the months ahead. Please send me your email if you want to be included in my quarterly newsletter.

Sincerely,

Debra Porada  
Ontario City Council Member
