

Well, the alleys continue to challenge us. As you can see from this month's stats, we have made a little progress. Some of our intrepid bowlers have managed to roll 50 pins or better over their average. Margie Pemberton twice on the same day December 15<sup>th</sup>. Rick said that was her Christmas present this year. On December 29<sup>th</sup> Lowell Grant bowled out of his mind rolling a great 247 that was 94 pins over his average. On January 5<sup>th</sup> our newest bowler and LF resident Christine Gibbins rolled 60 pins over her average. Way to go all of you. On December 22<sup>nd</sup> our intrepid president John Von Der Vellen had another shot at the strike challenge and this time he did not miss and won a sparkling \$151. I don't think that should count though as I was not there to witness it.
