Building girls of courage, confidence, and character, who make the world a better place.

March 31, 2022

To Whom it May Concern:

This letter is in support of Coach Vee and Coach VEE MP, LLC. I have been lucky enough to have seen Coach Vee speak multiple times and every time she is engaging, motivational and on target to the topic she was asked to cover.

Annually, Girl Scouts of Western Ohio hosts a conference for Cadette, Senior and Ambassador Girl Scouts (girls in 6-12<sup>th</sup> grade) over President's Day Weekend. This conference goal is to help build girls' leadership skills through a variety of sessions and speakers. A few years ago, we had Coach Vee as our opening speaker and over 200 girls left motivated and excited for the weekend.

This year, Coach Vee was our closing speaker for the 130 girls in attendance. The theme for this year's conference was "The World of Neon" and wanted the girls "owning their glow." Coach Vee came in dressed to impress with a themed "own your glow" shirt, neon hair and a vibrance that made the girls pay attention. Through the session she focused on the importance of the girls owning who they are and how to ensure they are doing self-care and making decisions for good mental health. Keeping the girls engaged early in the morning on the last day of a three-day conference is hard, yet she was successful!

I would recommend Coach Vee for anyone who needs a motivating, strong woman who helps other girls and women understand the importance of being who they are not apologizing for it! She excels at speaking on many levels and finds ways to engage girls and women regardless of their age. I look forward to the next time I can see Coach Vee speak again.
