To Whom This May Concern:

Girl Scouts of Western Ohio highly recommends Coach Vee as a group facilitator for middle and high school aged girls. Coach Vee is engaging, relatable, and a gifted facilitator who has an amazing ability to connect with young people.

I have had the pleasure of working with Coach Vee when she was the facilitator for the “Netiquette” Badge Workshop in January, 2020. This badge program teaches girls in 6th through 8th grade how to make positive choices in the online world. She was flexible with a short notice request to facilitate this workshop. With little time to prepare, she took the badge requirements and created a fun and interactive experience that was relatable for this age group.

Anyone who works with middle school aged girls knows that it can be incredibly difficult to capture their interest, but Coach Vee had no problem with engaging this group of 25 Girl Scouts. Many of the adults who were sitting in the back commented that they loved how Coach Vee was presenting this topic. By the end of the program, Troop leaders and girls were telling Coach Vee how much fun they had, and hoped that they would be able to attend another one of her workshops!

Coach Vee is a trusted program partner of Girl Scouts of Western Ohio, and we look forward to continuing to invite her to facilitate a variety of programs, including both small and large group workshops, and speaking engagements. I highly recommend calling on Coach Vee to facilitate your next program.

Sincerely,
