The Sale Committee reserves the right to reject any horse for any reason including but not limited to: unsoundness, poor condition and improper documentation of registration or Coggins papers.

COMMISSION ON HORSES: \$400 Flat Commission Rate/Same Day Payout. No Sale Fee is \$400. You will be charged \$400 for not bringing the consigned horse without a vet statement or a substitution.

TERMS: Cash, day of sale. All Horses are to be paid for in U.S. Funds. If you are not known to Topeka Livestock Auction, you **MUST** bring a current bank letter of credit, certified check or cash. Credit or Debit payments will be charged a 3% fee.

CHECK IN: No horse will be allowed on the grounds without current, original Coggins papers. The paperwork must arrive with the horse. All consignors are responsible for their own feed and hay. All horses must have a new halter and lead rope or one will be provided by TLA at the seller's expense.

REGISTRATIONS: TLA requires that all transfers and registrations for registered horses be in place before the animal goes to the sale ring.

WARRANTIES: Ages, heights, markings and physical conditions are an approximate and are not guaranteed. It is the buyer's responsibility to examine the horse before bidding. All sales are final. If there is an error in the catalog, the auctioneer or pedigree reader will announce it before a horse is sold. All recommendations and statements from the auction block are recorded and this will take precedence over the printed catalog.

GUARANTEE: Each consignor of this sale will make what guarantees they care to give on their equine and will be totally responsible for what guarantees they make. These guarantees will be announced at the time the animal is placed for sale. No guarantees whatsoever, expressed or implied, are made by the auctioneers, sale committee or Topeka Livestock Auction as to title, quality or soundness of any consignment.

SELLERS RECOMMENDING HORSES: TLA requests that sellers recommend their horses like they would like to buy them- announce all unsoundness on horses.

CHECK OUT: No horse will be allowed to leave without a load out sheet indicating full payment has been received. All owners are responsible for their horses until the hammer falls and full responsibility transfers immediately to the buyer.

LIABILITY: Buyers and spectators are cautioned to take care of themselves while in or near the barns or sale ring. We urge all to keep clear of the sale ring or where the horses are being shown, and upon failure to do so, and resultant injury therefrom, the Topeka Livestock Auction, or any of the members of the committee handling the sale, or consignor, disclaims any liability.

Bluebird Valley Stables

We are a full time training facility that specializes in colt starting, We believe a horse that is started right will perform better throughout his life. We started training at the tender age of 12 years old training ponies, then went to riding horses from 16 to 20 when an injury took us to Standardbreds, Now 23 years later we start anything from Racehorses to crossbred buggy horses, and the occasional riding horse.

Let us start your next top performer! Or call with question concerning a problem your horses may have!
