## 2019 MISSOURI FINE ARTS FESTIVAL

We are excited to report that we were able to hold the Inaugural Missouri FGCI Fine Arts Festival at the Missouri State Convention at the Big Rock Church in Barnett, MO. Thank you to everyone who has had a hand in the preparation and implementation of the first State Fine Arts Festival. We had just over twenty entries, and we were blessed and surprised by the anointed young people that were able to take part this year. The first place winner in each category has been invited to the International Fine Arts Festival which will be held at General Convention in August.

I would like to personally encourage each state to host a Fine Arts Event, this can be something simple like a one day or an evening event as we get this started. A participant does not necessarily have to attend and FGCI church, however a FGCI minister must sign the entry form. Registration, Rules and other information are available on the website [www.fgci.us](http://www.fgci.us). Please do not hesitate to contact me with any questions you may have! I am here to help, and I am available to assist in setting up other State Fine Arts Events. The purpose of this program is to encourage and involve the younger generation of FGCI. You can call/text me at (417) 321-0037 or email me at [theyates05@yahoo.com](mailto:theyates05@yahoo.com).
