A Note from the Artistic Director

Many times in our lives we reflect on those things that were genuine, honest, pure, meaningful and filled with joy. I look back on each year of teaching and ask myself – has it been what I thought it would be; have I been able to make a positive impact; have I touched upon the lives and souls of my students and helped them toward a life filled with aesthetic appreciation of dance art? My answer is YES. I am here to say that The Dance Arts are alive and well in Dewitt, NY. Please join us for a Fun Filled Fall Full of Dance.

Our boutique style Dance Studio has a reduced limited number of students in each class
