I have read, understand and agree to all the terms of the registration & tuition policies. I am enrolling for the entire 2023 - 2024 dance season. I agree that tuition is due in advance of each semester/month, but no later than the 15th day of each month / 10 monthly Installments, or 3 semester payments as outlined in policies. I agree there will be no refund of tuition unless there is a medical reason and the office receives written verification from the Doctor that the student is unable to physically continue with dance classes. Registrants are responsible & liable for 2 installments of dance tuition, following withdrawal from dance classes for any reason other than a medical excuse. I acknowledge, liability for complete payment of all semesters of dance until the office is notified with a doctors note that a medical condition exists, at which time a credit will be applied to your account. I Understand that dance students are taking dance at there own risk, & agree to hold harmless Linda Facciponte and The Dance arts Studio & Center of Movement Studies. Should the Studio be directed to close mid-season due to Covid-19 health concerns - classes will continue via ZOOM virtual instruction, and payments continue for the term of this agreement Registration is not in effect until this signed form is received with payment.
