

Host Biography

The host of the Juneteenth Cultural Celebration is Amun Ra Inc. a 501c3 nonprofit company charged with enlightening all Americans with the factual history and details revolving around the newest American national holiday, Juneteenth. The second task of Amun Ra Inc. is thriving to improve upon self-esteem and national pride in our communities across America. Amun Ra Inc. does this for free by distributing Juneteenth literature and conducting live and virtual lectures about Juneteenth. Finally, with fundraising Juneteenth events. We as Americans have become complacent when it comes to being aware of both historical and current information about our own country. It is unacceptable that foreigners and foreign visitors know more about our country, our traditions, and our holidays than Americans do. Amun Ra Inc. is designed to address this information deficit. There is also particularly in the African American population of our youth a loss of pride and self-esteem as our youth are bombarded with negative social media, music, video games, and media at large that they seem to be suffering from a lack of national pride and personal self-esteem, the other areas that Amun Ra Inc. addresses. Amun Ra is defined as "hidden from divinity" and like the sun rises every day we need to raise up our American youth with a sense of self-esteem and national pride to live and be citizens of the greatest nation on earth. Juneteenth like the sun rises every day, let self-esteem and national pride rise everyday among all Americans and let divinity rise like the sun every day. The Juneteenth Cultural Celebration / Virginia Mardi Gras is a charitable fund-raising event that is but, one of many to be held across America to come.
