

Client: PHMG audio branding

Project: Hold Message

Sample Script: In a market full of chatbots, you're proof that people still want to talk to people. And right now, studies show that three-quarters of consumers won't try again after an unsatisfactory call. PHMG gives your business the human touch you need to succeed, even when you aren't available to pick up, with audio branding services including on-hold and after-hours messaging with music tailored to your brand.

Client: Downtown Dental, LLC Chicago

Project: Hold Message

Sample Script: Between our two convenient and beautiful locations in the heart of downtown, our network of over a dozen dentists, and our wide range of services, no clinic has put more smiles on Chicagoans' faces than Downtown Dental. To schedule an appointment, make a payment, verify insurance, or inquire about the iSmile Direct plan, please stay on the line.

Client: Drive Safe Cedar Valley

Project: 30 sec. TV Spot

Sample Script: We can't drive yet, but traffic safety is important to us too. Over 2,600 kids like you and me under the age of 13 are hurt in car accidents every day!

Next time you get in the car, remind your parents to follow these safety tips:

1. Always check our car seats.
2. Don't follow too close behind other cars.
3. Pay attention to traffic lights and intersections.

This message is brought to you by Drive Safe Cedar Valley.
