

## 2017 Volkswagen Golf Alltrack for Sale in Townsville, IL

If you need a vehicle with lots of room for your family—as well as groceries, sports gear, furniture, suitcases, and anything else you may need to haul around—but don't want the bulk of a full-sized SUV or truck, then this wagon from Volkswagen is right up your alley.

The brand-new 2017 Volkswagen Golf Alltrack is a fun family wagon perfect for road trips and light off-roading. Similar to the Golf SportWagen in appearance and dynamic performance, the Alltrack boasts added ground clearance to more easily clear rocky or snowy roads. Because the Alltrack is not as tall as an SUV, it is also easier to lift items onto the roof racks, which come standard on every model for additional storage.

Stop into our Volkswagen dealership in Townsville, IL for a test drive, and get all-weather traction, great cargo capacity, and precise steering for just **\$26,950 starting MSRP**.

### 2017 Volkswagen Golf Alltrack: Power & Performance

The Volkswagen Golf Alltrack is powered by a **1.8L turbocharged engine** generating 170 HP and 199 lb.-ft. of torque, matched to a six-speed dual-clutch automatic with manual shifting mode.

What really sets the 2017 Golf Alltrack apart from other Golf models is the **standard 4MOTION® all-wheel drive system**. This system keeps fuel economy high—22 MPG city/30 MPG highway/25 MPG combined—by sending most torque to the front wheels until slippage is detected. Then the system switches to a 50:50 torque split perfect for tackling wet roads, potholes, and rutted dirt trails.

With Drive Mode select, Alltrack owners can switch into **off-road mode**, featuring:

- AWD
- Optimized throttle response
- Enhanced traction/stability control
- Electronic differential lock
- Hill Descent Control

Townsville, IL area drivers will also love the performance features on the driver information off-road monitor. The customizable three-gauge cluster displays altitude, steering wheel angle, compass direction, and more.

## 2017 Volkswagen Golf Alltrack: Safety & Reliability

You can rely on the 2017 VW Golf Alltrack to keep you protected in any situation, thanks to a **5-star NHTSA safety rating**. Built with a high-strength steel frame and safety cage, a total of seven stability-enhancing systems, and numerous other safety technologies, the 2017 Volkswagen Golf Alltrack is top-notch.

Safety features include:

- Emergency braking assist
- Adaptive cruise control
- Front and rear parking sensors, plus Park Assist semiautonomous parking
- Lane departure warning and auto lane-drift correcting
- Rearview camera
- Automatic post-collision braking system
- Intelligent crash response system
