

Contact Information: Mini Basins BC-2A,2B,2C, & 5B Project

Our projects have several moving parts, so we provide the list of appropriate contact persons depending on your question or issue. If your question could require some research or coordination with the Contractor, please email us at mynewsewer@lowerpaxton-pa.gov. This is typically the most efficient way for a property owner to get their concern to the correct individual for follow up.

Question/Issue	Contact Person	Phone Number	Email Address
Any emergency	911	911	Please call only
When will my lateral sewer be replaced?	Due to the number of variables involved, we cannot provide an accurate date. Property owner will be notified by doorhanger and notification system if they have opted in to receive messages.
