

REGISTRATION FEE ALERT!

The 23-24 Gymnastics year will end on June 30, 2024, which means Current Member registration fees will also expire on this date. The **2024 -2025 Annual** registration fee (valid July 1/24 - June 30/25) for recreational classes will remain at **\$44 (incl.hst)**.

Enrollment continues for programs that fall in the current 23-24 season and starts for programs within the new 24-25 season. But, we have found a glitch in the system that will either overcharge or undercharge during this overlapping registration period. **To avoid any errors we have removed the automatic posting of registration fee for summer programs, until May 24.**

Anyone registering for programs in the new 24-25 season prior to July 1 will have this fee **MANUALLY** applied to their account **AFTER** booking into programs online. Therefore the registration fee will not appear in the checkout cart when registering online or in the parent portal for all summer programming.
