### DESIGN STATEMENT:

The Salem Lawn is a community centered gathering space, designed for everyone. Inspired by nature's geometry, the park features a play-space for children, sports fields for the public, healthy eating options, and a community garden with a year-round farmer's market.

### DESIGN GOALS:

- > Attract visitors of all ages
- > Local, healthy food options
- > Encourage physical activity with fields & sports courts
- > Engage children in play
- > Support community gathering
- > Increase access to fresh vegetables with community garden
- > Connect community with healthy habits
