**MEMBERSHIP**

Annual membership dues for the Cedar Lake Conservation Club are \$15.00 per year, per family - \$8.00 for General Fund and \$7.00 for a special account to help finance control of Eurasian Milfoil when the would arise at Cedar Lake. This money is in a special account designated for use on Cedar Lake only.

If you are not presently a member of the Conservation Club, please join. Your input is needed. Ask a neighbor about the Club or talk to a Board Member.

# Here's the Scoop!

Hello, I'm the new editor of the Cedar Lake Newsletter. This is going to be a big job to fill the shoes of Shirley Cook, our former editor.

I will need your help! I need news items, cartoons, quips, etc. Also, if you have something for sale, send me a note. Our next newsletter should be in the Spring.

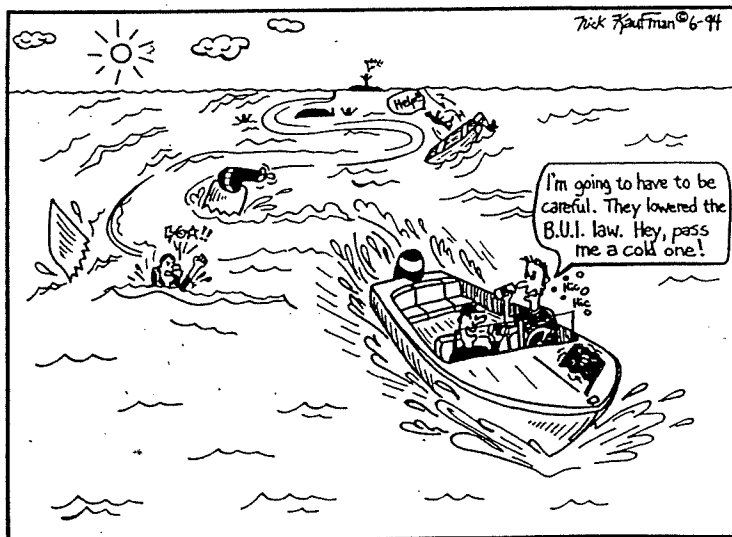

If you have an interesting story regarding fishing, and it's true, let me know.

My husband, Royal and I live on the southeast side of the lake. Our address is 7155 Imhoff Av NW. Maple Lake, MN 55358.

Thank you for your help and support.

Dear Member,

On behalf of the Turn In Poachers Board Of Director's, I wish to express our gratitude and appreciation for your support. We are honored to have you as a member of TIP.

Since TIP's inception in 1981, we have grown to be an organization of over 20,000 concerned conservationists. We have paid out rewards totalling \$245,000.00 and only 40% of people reporting poaching violations request a reward. The total number of arrests in the last twelve years was over 4,100. Our conviction rate in 1993 was 99%. These are figures you can be proud of! Poaching is a nation-wide problem, we have a long way to go, but we in Minnesota have made an impact, thanks to YOU!

The public support throughout Minnesota, the widespread knowledge and growing acceptance of our objectives, and the enthusiastic endorsement by our statewide conservation organizations, have all been most gratifying. The overwhelming support of the TIP-sponsored Restitution Law demonstrates your desire to provide additional protection to our priceless wildlife and fisheries. From criminals who scorn our state laws. Between January 1991 and February 1994, \$220,000 has been raised from restitution penalties. This money goes to the DNR game and fish fund for replacement, propagation and protection of "wild animals." Finally, criminals are paying to replace what they took illegally.

Again, our heartfelt thanks for your contribution and positive support of the Minnesota TIP program.

Sincerely,

*Debra*

**REMINDER:**

Look at your address label. If there is a red "X" by your name, it indicates that your 1994 dues have not been paid. As you know, \$7.00 of each membership dues goes into a special Eurasian Milfoil account. Make your check out to Cedar Lake Conservation Club and mail it to;

*Little Bit of "Tender Touch"*

*A 13 year old neighbor boy of Don Badger found a baby robin in the yard. It didn't have any feathers, yet. "P.J." Flatten told Don that he was going to try to raise it.*

*He fed it chopped worms and water, cared for it and taught it to come when he whistled.*

*One day a neighbors dog got the little bird and he was killed. That was sad. However, it was a lesson that we cannot have wild pets because there is no way to teach them protection against predators.*

Dear Mr. Cook:

Thank you for your recent gift of \$50.00 to support Courage Center's Camping program. Each summer hundreds of children and adults with physical disabilities and sensory impairments attend either Camp Courage or Courage North. They count on people in the community to help with the cost of their camp experience.

Last summer over 1,200 campers experienced nature trails, fished, swam, rode horses, and participated in all kinds of camp fun at our camps. Beyond the fun, the camp experience is helpful in other ways as well. As one camper put it, "At camp I learned I'm not alone in this world."

Thank you for your support of the Camping program of Courage Center. I trust you know that your gift is making a difference in the

LEGISLATION ON PERSONAL FLOTATION DEVICES

At the next session of the Minnesota Legislature, the DNR will ask to amend the rules on personal flotation devices, (PFD's) to comply with Federal regulations which have already been adopted by our five neighboring states.

This change does not require the wearing of Pfd's (life jackets) but requires them to be on board and readily accessible.

Boats less than 16 feet in length, canoes and kayaks regardless of length, will need to have a Type I, II or III wearable PFD for each person on board. Type IV cushions will no longer be acceptable as a primary lifesaving device.

Boats 16 feet or more in length (except canoes and kayaks) need to have a I, II or III wearable PFD for each person on board plus one Type IV throwable cushion or ring buoy for each craft.

At this time it appears that the effective date of Minnesota's rules on PFD's will probably be May 1, 1995.

We have been hearing complaints regarding burning garbage. If you think it is a great part of cleaning up your place at the end of a lovely weekend, please consider the neighbors who stay longer and have to smell that smoldering mess after you leave! Please take it home with you.

There has been a law in Corinna Township for some time against burning garbage. To burn anything, you must have a permit. There is a compost pile for leaves.

DO WE HAVE YOUR CORRECT ADDRESS?

If not, please make the changes and mail to:
