CEDAR LAKE CONSERVATION CLUB
ANNUAL MEETING AND DINNER
August 10, 1996 6:30 p.m.
Meeting Minutes

President Bob Johnson opened the meeting. New members Leroy and Barb Abramowski were introduced and welcomed.

Head table guests were introduced: Treasurer, Peter Cook and his wife, Shirley; Deputy Sheriff Ken Antil and his wife, Pat; Warden Jim Smith; Board Member Ella Geardink; DNR Fisheries Specialist Victoria Poage and her husband, Kim Heidenbrink; President Bob Johnson's wife Lorraine Johnson; Sheriff Don Hozempa and his wife, Dixie; Commissioner Ken Jude and his wife, Myrna.

Board members introduced were: Jan Altman, Past President; Don Badger, Jan Duffy, Alan Glass, Bob Olson, George Suddendorf, Jim Thernell. Not present was Linda Dircks, Secretary and Jerry Bowdin.

President Johnson acknowledged the contribution of this years Les Kouba print by Richard and Jana Oxenford. Bruce Waddel did the framing again this year. The membership was advised of Bruce's unfortunate accident and were asked to sign a card for him.

Also acknowledged were; Leslie Kruetter for lettering the fishing certificates, Donna Beckman and her crew for the dinner arrangements, the American Legion for giving us their space at no charge and to Jan and Jerry Altman for gathering the prizes and for conducting the distribution of raffle and door prizes.

Minutes of the 1995 Annual Dinner meeting were published in the October 1995 newsletter. A motion was made to waive the reading of the old minutes and accept them as published. The motion was made, seconded and passed.

Peter Cook gave the Annual Financial Report. A motion was made, seconded and passed to accept the report as read.

Vern Harper, nominating committee chairman, Joe Treter and Stu Ulfers were asked to present the slate of board members. Vern noted that Jerry Bowdin and Jim Thernell have resigned. To fill their positions he presented Harry Hunt and Marlys Enger. President Johnson asked for any other nominations from the floor. There were none. A motion was made and seconded to accept the slate as presented with the two new members.

President Johnson acknowledged the 16+ years that Jerry and Jim served this club and thanked them on behalf of the membership.

A questionnaire was passed out to all attending this evening, asking for suggestions and help for the board in promoting this association.

A milfoil search was done again this year and none was found. Thanks to those who helped.

George Suddendorf, our representative to the Wright County Federation, reported on the raffle ticket sales and beer stand sales at the Wright County Fair. Seems our club sells many more raffle tickets each year than other clubs.

Fishing Contest Winner for 1995
Each winner received a certificate and cash prize

Bass 4 lb 12 oz - Semra Condon
 3 lb 2 oz - Donald Gonnella

Crappie 1 lb 5 oz - Bill Burke
 1 lb 4 oz - Bill Emerson

Northern 9 lb 12 oz - Don Enger
 8 lb - William Emerson

Walleye 8 lb - Jon Pope
 5 lb 11 oz - Steve Niklaus

Sunfish 8 oz - Ryan Suddendorf

Bullhead 1 ob 2 oz - Nick Moody

Thanks to Ella Geardink for weighing in our contest winners!

Victoria Poage from the DNR was our main speaker. Her report was the 1996 DNR assessment of Cedar Lake regarding spawning data, fish population, water clarity, oxygen levels, weed growth, etc. The report studies gave Cedar Lake a superior grade in all areas. It was wonderful news! A brief question and answer period followed.

Head table guests were asked for comments. Ken Jude spoke briefly about the 911 enhancement programs underway. The county is trying to get standardized signs on each property to identify it for 911 response calls. He asked that we support our township in the cost of these signs, as the county will not provide the entire cost. A brief discussion followed.

Don Hozempa greeted all and Jim Smith told us about a group on Lake Sylvia getting a committee together to develop some legislation regarding jet ski restrictions.

A motion was made to adjourn, seconded and passed.

Respectfully submitted.

Jan Duffy
Secretary Pro-tm

Door Prize and raffle drawings were held. Vern Harper won the Les Kouba print - Congratulations!

Summary of Annual Meeting Questionnaire Results

CEDAR LAKE CONSERVATION CLUB
DIRECTOR SURVEY - AUGUST 1996

Your Board of Directors is considering some changes and would like your input before taking any action. Please take a minute and complete the following opinionaire. - Thank You.

- 67 19 1. Should Board members be selected by district?
Yes No (location on lake rather than random selection)
- 49 37 2. Should there be a maximum number of years a person
Yes No serves on the Board? If so, how many? _____
- 04 63 3. Would you consider serving on the CLCC Board?
Yes No If yes, enter your name _____
- 78 10 4. Are you satisfied with the number and type of
Yes No activities the Board has promoted? (Annual dinner,
Spring Get-Together, Regular Milfoil Searches,
Newsletters)
- 43 33 5. Should the Board promote some activities that
Yes No include the entire family rather than primarily
adults? What would you suggest? _____
- 21 42 6. Do you have any suggestions on how and what the
Yes No Board can do to increase membership and interest in
the association? If yes,

Your Board of Directors appreciates the input from the questionnaire and will be considering the information in the coming months.

As you can see from the data, there is a prevailing view that we should have increased turnover on the board and that district representation should be continued.

Herein lies our dilemma! Many people felt we should have frequent turnover, 2-4 year terms. However, there were only four volunteers willing to submit their name as prospective directors. What about the rest of you? If you would be willing to serve, please inform someone on the board.

The board also notes that there is reasonable satisfaction with the present schedule of activities, and for that we are grateful.

Thank you for your support and input.
Your CLCC Board of Directors.

Dear Members of the Cedar Lake Conservation Club:

Thank you very much for your gift of \$100 to help individuals from your area attend Camp Friendship. I would encourage you to take a tour of Camp Friendship or our Eden Wood Center, and see your investment benefiting children and adults with mental and physical disabilities.

Most of the nearly 3,100 children and adults with disabilities who use our services, will to one degree or another, always depend on others for assistance. We're just grateful that there are kind people like you to assist disabled persons achieve companionship, independence, self-esteem, and skills needed to reach their true potential.

Your investment allowed children and adults with mental and physical disabilities to enjoy the facilities and make new friends.

Our program just keeps growing! With our new Eden Wood Center we were able to expand services by 42% in 1995. In addition to the new center we also had tremendous growth in our programs for children with attention deficit disorders (ADD/ADHD).

Thank you for caring enough to help children and adults with mental and physical disabilities...may you be richly blessed for your kindness.

Thank you very much for your gift of \$100.00 to support Courage Center's camping services. It will help us provide services to both children and adults with physical disabilities who attend Camp Courage and Courage North this summer.

Approximately 1,300 campers participate in our summer programs. They have one of the great weeks of their lives in an accessible environment that includes all the things that people like to do while camping. At the same time, it is an opportunity to grow and stretch in new ways to help achieve their full potential.

Your gift helps provide some outstanding counselors, speech clinicians, and other staff who spend their summers helping our campers achieve new levels of independence.

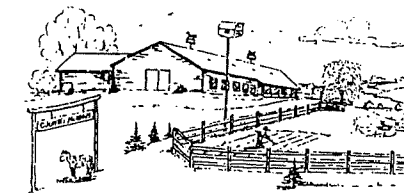

We are very grateful for your help in making all of this possible.
