the North side of the sandbar. Marlys Enger is in charge. 274-5424.

ANNUAL MEMBERSHIP DINNER AND MEETING, Saturday, August 14 at the  
Maple Lake VFW.

"So why don't you yell at her for  
scaring the fish?"

## 1999 FISHING CONTEST RULES

### Contest begins May 15

You must show your 1998 paid dues card.

Bring you entry to Ella Geardink at the Resort on the north end of the lake. (Nest to Wright County Park)

Eligible members includes: Member of the CLCC  
Property owners  
Son, daughter, son-in-law, daughter-in-law  
Grandchildren under age 18

\* \* \* \* \*

From the Mpls. Star Tribune "Fishing Report":  
"Opener prospects look excellent"

Annandale Area/Look for walleyes in 10 to 14 feet using large leeches and night crawlers. Clearwater will be very good along with Cedar and Sylvia. Crappie action is Clearwater, Sugar, Sylvia and Pleasant on crappie minnows and flu flus, mini jigs and cubby jigs in the shallows.

\* \* \* \* \*

Deputy Steve Quill will be conducting a class on personal watercraft safety on Saturday June 12 at 8:30 AM. The meeting location is the South public access of Sugar Lake. It will last about 1 hour. This class is geared for youth but parents and adults are encouraged to attend. Test packets for youth will be available at this time. Please do not bring boats or trailers, as parking will be limited.

There will be no charge for this wonderful program. The Sugar Lake Association is inviting all Cedar Lake residents.

### HOW'RE THEY BITING?

(Excerpts from the Minnesota Conservation Volunteer)

All anglers have their favorite fishing holes. But few anglers can keep their favorites to themselves anymore. Record numbers of anglers have changed fishing on Minnesota lakes.

Fishing license sales tell the story of more anglers on the water. In 1911 Minnesota began to sell fishing licenses to non-residents for \$1. Resident fishing licenses first went on sale in 1927 and cost 50 cents each. The number of licenses sold each year has been on an upward trend ever since major world events such as the Great Depression and World War II caused dips in license sales. After the war, more cars and better roads gave anglers access to more lakes, and fishing license sales boomed.

Since the 1970s almost the entire increase in sales has been due to resident fishing license sales. Today Minnesota has about 3.5 anglers fishing its waters for every one angler in the 1920s. More than 2.3 million people (licensed anglers and children who are not required to buy licenses) fish in Minnesota each year.

How much room does that leave each angler to fish? Dividing Minnesota's 3.8 million acres of fishable waters by 2.3 million anglers leaves 1.7 acres per angler. If an angler were to cast 51 yards in every direction from a boat without moving it, that angler would fish 1.7 acres.

### REMINDER:

Please keep grass clippings from the lake! Leaves and grass are one of the biggest enemies of the lake. This makes phosphorus, which fertilizes algae.

If you must fertilize your lawn, **PLEASE USE PHOSPHATE FREE PRODUCTS!**

Millfoil Search is set for Saturday June 19, 2-3p.m. Don Badger and Don Enger will supervise the teams.

## A Note from Camp Friendship

Hello neighbors! June is right around the corner, and soon our camping program will be in full swing. This summer, we're expecting nearly 2,000 children, teenagers and adults to join us here at Clearwater Lake for fishing, swimming, and other camping activities.

**Get To Know Us.** If you aren't familiar with Camp Friendship, here are a few facts:

- Camp Friendship is operated by Friendship Ventures, a non-profit agency. We also operate Eden Wood Center, a camping and retreat facility in Eden Prairie.
- Friendship Ventures provides camping, respite and travel services for people with mental and physical disabilities.
- In 1998, 3,200 children, teenagers and adults from 432 different communities participated in Friendship Ventures' programs.
- Volunteers are our lifeblood. Last year, over 66,000 hours of service were provided by more than 1,000 volunteers.
- Donations are always welcome. Ninety cents of every dollar given to Friendship Ventures directly supports our programs.

**Share Your View With The World.** We're seeking Cedar Lake families or cabin owners to host members of our international staff for one weekend or more this summer. Broaden your horizons by opening your hearts and your home to our international friends. Call Camp Friendship at 320-274-8376 to inquire about serving as a host family.

**Volunteers, Staff Needed For Summer '99.** We also need staff and volunteers to help with this summer's camping programs. If you'd like to volunteer, or know of a teen or college student who might like work for us, please call 320-274-8376.

Lake friends that passed away:  
Roy Holt, Bob Oxenford, Chuck Draper and Harry Frey. Our sympathy goes out to the families and friends.

# CEDAR LAKE

## 1999 Spring Get-Together

Bring guests and new neighbors.  
Ask questions and share your  
ideas regarding Cedar Lake.

**WHERE:** AMERICAN LEGION  
MAPLE LAKE

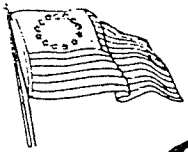

**WHEN:** FRIDAY, May 28, 1999

**SOCIAL TIME BEGINS AT 5:30 PM**  
**POTLUCK DINNER AT 7:00 PM**

**BRING A DISH TO SHARE**

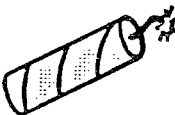

Cash Bar  
Available

# FOURTH OF JULY CEDAR LAKE BOAT PARADE

(Weather Permitting)

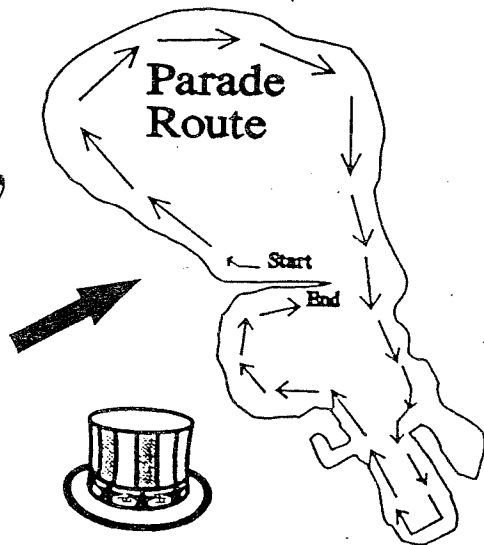

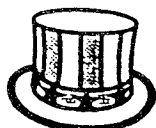

Parade will be held July 4th  
and will start at approx. 1:30 PM  
on North Side of Sand Bar

 Join the Fun

DECORATE YOUR PONTOON,  
SPEED BOAT, PARTY  
BOAT, FISHING BOAT,  
OR WHATEVER

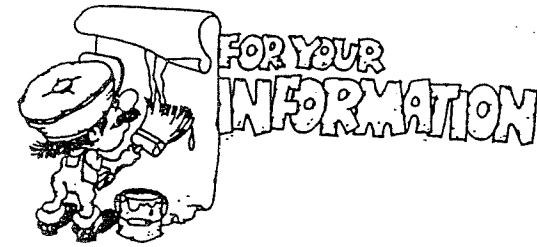

#### PARADE ROUTE

Did you notice there is no advertising on our newsletter? Well our Board of Directors decided that we will have plain covers, unless any potential advertisers want to contribute to an ad voluntarily. Otherwise the club will support the cost of the newsletter. Most members feel businesses in these small communities are asked for enough.

## PERSONAL WATERCRAFT (Jet Skis)

What is personal watercraft? Sometimes known as Jet ski, Wet Jets, Wave Runners, Sea Doos, water scooters etc., a personal watercraft is defined by law as a motorboat that is: 1) powered by an inboard motor powering a water jet pump or by an outboard motor powering a water jet pump or by an outboard or propeller-driven motor; and 2) designed to be operated by a person or persons sitting, standing, or kneeling on the craft, rather than in the conventional manner of sitting or standing inside a motorboat.

All personal watercraft are considered motorboats and therefore, any regulations, that govern other motorboats (such as fishing boats, cabin cruisers, etc.), also govern personal watercraft.

Anyone operating or riding on a personal watercraft must wear a U.S. Coast Guard approved Type 1, 11, 111 or V personal flotation device (PFD or life jacket).

Personal watercraft must travel at slow - no wake speed (5 mph or less) within 150 feet of non-motorized boats, shore (unless launching or landing skiers directly to or from open water), docks, swim rafts, swimmers, or any moored or anchor boat.

OPERATION of personal watercraft is allowed only from 9:30 a.m. to 1 hour before sunset.

All watercraft, regardless of length, will need to carry and have readily accessible, one life preserver (PFD) for each person on board. Also, you should have a Type IV throwable device (boat cushion or ring buoy) for the boat. Due to a change in the federal requirements, boat cushions are no longer acceptable as primary lifesaving devices.

USCG approved fire extinguishers are required on boats with enclosed fuel or engine compartments.

Persons 12-17 years of age are required to have a watercraft operator's permit to operate a boat of more than 25 horsepower, unless someone at least 21 is on board in reach of the controls.

This information was taken from the 1999 Minnesota Fishing Regulations.

**DO YOU HAVE NEW NEIGHBORS?.....**

Please let us know their name and address. Call 963-3773 or 963-5966.

\*\*\*\*\*

The 1999 dues are due. The cost is \$15.00. Just talk to Bill Pallies, our Treasurer, he will be at the Spring Get Together at the Am. Legion Club in Maple Lake, on Friday, May 28th.

\* \* \* \* \*

**HELP WANTED!**

We would like to have some help with the Newsletter. We need new ideas, articles, help with folding and mailing. It's an opportunity to meet other lake people. Please call 963-3773

Donna or 963-5966 Sharon.
