

Altar Guild 2023 Report

Eight members of St. Mary Magdalene Church have completed their duties for the year 2023 with the help of our minister Rev. Richard Hetke.

Richard has made our jobs easier by setting up communion services and changing the colours on the altar. The altar guild has taken down and cleaned up the altar after communion services making it easier for each member to completed their duties on their own.

As we go into the future as the Altar Guild we have to readjust our schedules with some members working on their own and some with partners. We will as of March 1st begin to do set up and clean up. As of this date I haven't worked out the changing of the altar colours as it is a two person job and there is stairs to content with at the altar. All in due time I will get it figured out. Everyone seems happy with the month at a time schedule so we will continue with that.

Joan Paul and helpers will continue to clean up after the Wednesday service with an Altar Guild member setting up. Thank you ladies. Thanks to Fran Koch in continuing to order supplies for the altar for communion and candles.

We would like to welcome Jenny Lennox back by helping us out and a new member Kathy Petropoulos (Marg Baldwin's sister) helping Marg out with her Altar Guild duties.

Thank you to all Altar Guild members and Rev. Richard Hetke for your help and support in the last year as we continue in God's faith and love.

Miriam McKeown
