44TH ANNUAL IN-VETTE-TATIONAL NEWS

by Bob Messner

Planning for our club's 44th In-Vette-Tational is going well thanks to the combined efforts of our 24 In-Vette Committee members. Our Committee is composed of an array of committed volunteers that includes Board Members, Officers, and club members bringing a diverse background of skills and experience to our planning.

The synergy of the Committee member's team work, along with the contribution of their time, backed by the support of the SDC club members and sponsors are key to our In-Vette's success. April begins the time in our planning cycle that is the most important and challenging. Our challenge is, we need the collective efforts of every club member to support our In-Vette by volunteering a few hours of time for one day and providing donations of their choice.

Each year closer to the date of the In-Vette our members eventually and gratefully step-up to the challenge. This year the Committee is starting our request early before all of us become totally focused on driving our Corvettes and enjoying our club activities. I am lucky to have multiple Committee members with a great aptitude to request donations much better than me. So rather than me repeating future requests for support, I remain confident our club members will help. It also allows the Committee to focus on the many open details to finalize our plans.

Please support your club's biggest yearly event and fund raiser into SDCC's treasury by volunteering with any of the following listed below. Contact me directly if you have questions about how your time and donations to the In-Vette directly support our club. My contact information is bobmessner1@gmail.com <mailto:bobmessner1@gmail.com> .

For contact information for any of the In-Vette Committee Members listed below please reference our recently updated membership directory.

SDC LICENSE PLATE

Sue and Terry Crupi are friends with the owner of AMIGO'S CAFE / CANTINA on Hilton Head Island. The restaurant has license plates hanging on the wall from all over the US, Canada and Central America. They noticed there were none from PA. With Norm Burton and Sam Beam's help they were able to get a PA License plate and an SDC plate which the owner proudly hung on the wall with the others.

NCM UPDATE

by Ron Grove

There will be no NCM update this month as Ron suffered a stroke while on a cruise in the Mediterranean. He was accompanied by his wife, Jessica.

He has spent several weeks in a hospital in Barcelona. We believe he will finally come home on March 30 via ambulance jet.

Please keep your thoughts and prayers for Ron and Jessie. SDC wishes a speedy and complete recovery for Ron.

CONTRIBUTE TO THE IN-VETTE TROPHY COSTS

Please consider contributing to the cost of trophies for our upcoming 44th Annual SDC In-Vette-Tational Car Show on July 20th, 2024. Like everything else, the cost of trophies is substantial and we can minimize our club expenses by contributing.

The suggested contribution for an individual is \$35.00, and only \$50.00 for a business. All those who contribute to the cost of trophies will have their name/company name listed on a large poster at the In-Vette. If interested, please print and complete the "2024 Trophy Sponsor Form", available on our website and give to Ken Speicher, Art Salyards, or Bob Messner along with your check. You can also sign-up at an upcoming Membership Meeting.

INCENTIVES FOR DONATING SCRATCH OFF LOTTERY TICKETS FOR THE IN-VETTE-TATIONAL TRICKY TRAY AUCTION LOTTERY TREE

by Janet Schmidt

It is that time of year again to ask for your support to purchase PA Scratch Off Lottery Tickets to place on the Tricky Tray Lottery Tree. Everyone that buys \$5.00 worth of club 50/50 tickets at our April, May, June, and July meetings will have the opportunity to trade in their donated scratch off tickets and get additional club 50/50 tickets for FREE. The more you donate, the more chances you have to win the club 50/50 drawing. Below is how it works.

Bring in a \$1.00 ticket and receive 2 additional club 50/50 tickets - Bring in \$2.00 worth of tickets and receive 3 additional 50/50 tickets

Bring in \$3.00 worth of tickets and receive 5 additional 50/50 tickets - Bring in \$4.00 worth of tickets and receive 6 additional 50/50 tickets

Bring in \$5.00 worth of tickets and receive 7 additional 50/50 tickets

The only catch is you must buy your club 50/50 tickets first to be eligible. Anyone not wishing to purchase scratch off lottery tickets or forgot them, can buy their club 50/50 tickets first and give Janet Schmidt the cash equivalent of the scratch offs at the membership meeting and she we will buy them for you. Distribution of your additional 50/50 tickets will be from Ken Speicher and Art Salyards at the entrance of the monthly membership meeting.

Destinations & Diversions

Where Were You in 1964?

If you or your family lived in Berks County in 1964, there's a pretty good chance that you know someone who spent Friday evenings in Reading to "cruise Penn Street". In the early '60s, it was the "cool" place to be, whether you were there to show off your own sweet ride or to meet those who were lucky enough to have one. It was also where a group of young Corvette owners talked about starting their own club, and quickly made it a reality. And here we are...still going strong 60 years later!

Please join us as we celebrate the Skyline Drive Corvette Club of Reading's 60th Anniversary at SDCC's 44th Annual In-Vette-Tational on July 20, 2024 at the Oley Fire Company Fairgrounds, 26 Jefferson St., Oley, PA 19547. Rain or shine!

But you don't have to remember 1964 to enjoy the In-Vette-Tational. This year's show promises to have something that will interest almost everyone, whether you are young, not-so-young, or somewhere in between. As we've been saying, the In-Vette-Tational is "more than just a car show". It has grown into an annual "community event", drawing folks from as far away as South Carolina.

So what's so special about the In-Vette-Tational? The first thing you'll notice when you arrive is that you won't have to spend a day walking around on hot macadam! With fourteen beautiful country acres, there is plenty of space to open your chair under a tree or on the grass, grab some good food, and relax. But with so much to see and do, you won't want to sit very long.

Sure, there's the usual stuff for motor heads...lots of awesome cars

and trucks of all makes and models including antiques, classics, muscle cars, hot rods, and some unique "creations" that enter the In-Vette-Tational, hoping to win at least one of the forty-eight coveted trophies (including a handmade custom trophy made and awarded by each SDCC Scholarship Recipient to the vehicles of their choice). We're hoping for a lot of 1964s to show up and be among the winners! By the way, your 4-wheeled "baby" doesn't have to be in showroom condition to be in the show. And if it isn't real fast, the "Slow Drag Race" might just be the event for you. It isn't as easy as it sounds. So if you love your car or truck and want to show it off, fill out a registration form and join the fun!

While at the In-Vette-Tational, you can take a stroll down memory lane as you check out the cars you remember from your youth, or see what your parents and grandparents drove "back in the day". Bring the kids along and watch the looks on their faces as they try to imagine spending time in a car without air conditioning and places to plug in their computerized gadgets, or having to crank the windows up and down by hand! And, no matter what your age, the new cars on display will blow your mind with their incredible technological advancements and body designs.

But there's a whole lot more...

Since you'll already be out of your chair, walking around and singing along to the live music, take time to visit the many vendor stands that include everything from auto-related products and services to hand-made glass items, beautiful wood crafts, comhole boards, and travel information. And don't forget to stop by the

AAA table to hear more about their many services.

There will also be fun, interesting and educational displays. Learn about the history of racing in Reading and see several old race cars at The Reading Fairgrounds Racing Historical Society's display. See an authentic Army Jeep, hear about life in the U.S. military, get information about services available to veterans, or just stop by the veterans displays to express your appreciation for their service to our country.

Our special guest this year will be the Middle Creek Search and Rescue K-9 team. Their work throughout South Central PA and beyond is critical and includes many different areas of expertise that may surprise you. Their presentation is sure to be a crowd-pleaser.

While enjoying the show, please consider buying raffle tickets, taking a chance on the Wheelbarrow of Cheer and entering to win some great items available in the Tricky Tray Auction. A portion of the In-Vette-Tational proceeds supports the SDC Scholarship Fund (providing scholarships to local Vo-Tech graduates who will be furthering their education in the automotive field), veterans' organizations, JR, ROTC programs, and other local charities. Your support is needed and sincerely appreciated.
